Now, let the party begin! Is he a troublemaker, an unreliable substitute, or a brotherly hero!? He even causes trouble for me! But I've been waiting to draw the lively menace Gold again! The time is ripe for his reappearance!

Every once in a blue moon, I get the chance to talk with my readers. When I talk with my young readers, they always ask...what do they ask again? Oh, yes: "which Pokemon do you like the most?" I hear that all the time, and it bothers me all the time (laugh). There are 648 Pokemon right now...! I can't just pick one...! Grr~ Today, I'm worrying about what I should answer if I get asked that question again!!

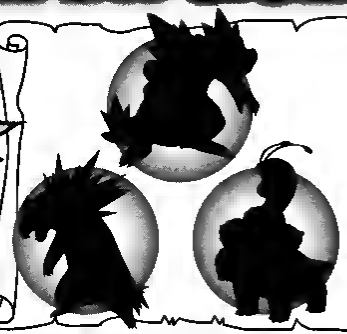
INTRODUCTION

About this story

Young men and women ~ Pokedex owners ~ are entrusted with "Pokedexes" by researchers with authority. This is their story of spending their days, fighting, and growing with their Pokemon—!!!!



Gold, who lived in "Poke House" in New Bark Town, set out on a journey to chase after Silver, who stole a Totodile from Gold's neighbor, Professor Elm. Even though they don't see eye-to-eye, they were forced to fight on the same side. Together with Crystal, who was given the mission of completing the Pokedex from Professor Oak, they crushed the dark plans of the Masked Man and the remains of Team Rocket. Now, years later, a new battle is about to begin in Johto...!

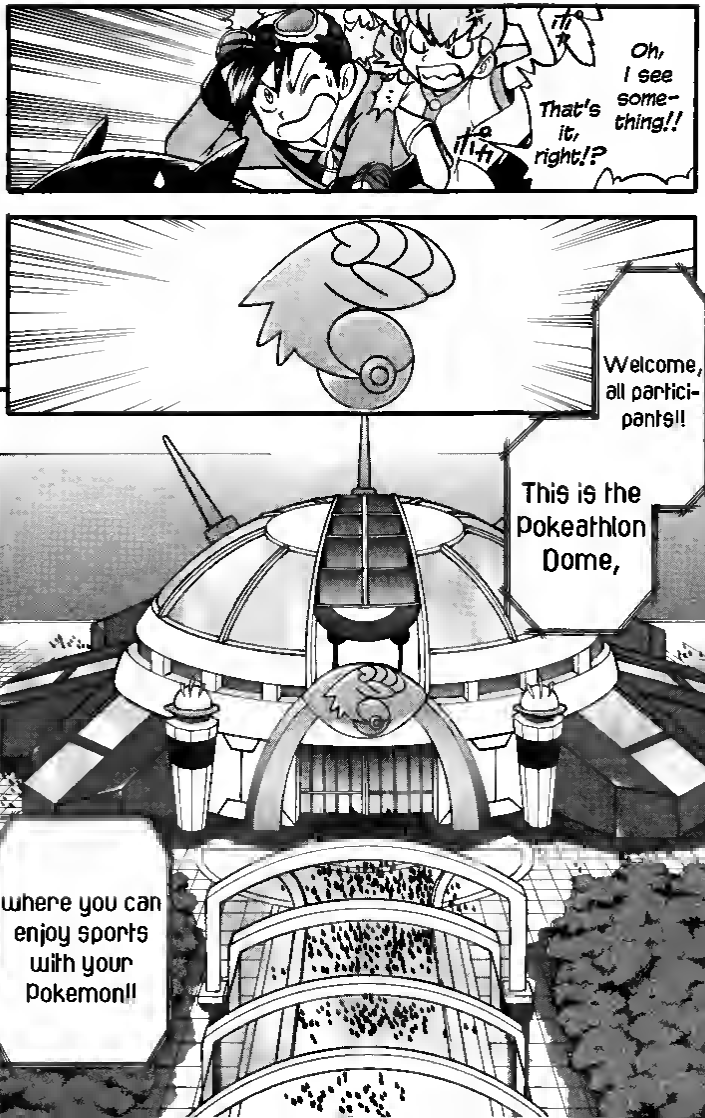
Route 37
ドドドドド
Are we there yet? Why does it have to be this far?
Ah, I'm hungry~
What, you want some water now?
Poi-taro!
Mhm! Mhm!
Here! I'll give you one! Be grate-ful!
Ah!!
I know! Let's eat the RageCandyBars I bought

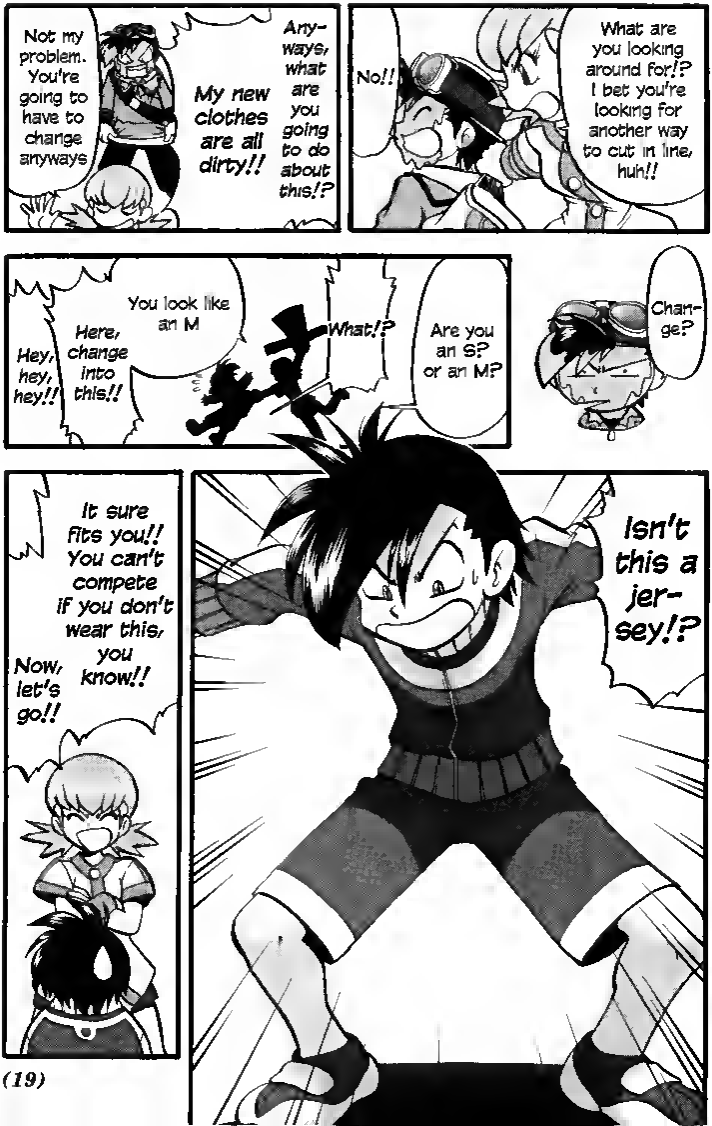
...
...
ドンッ
"Don't worry about it"!?
Don't worry about it, Whitney
Well, it happens
Was the water too weak?
I was gonna choke to death there!!
You dope!!
Ahaha!! This is how Gold, New Bark Town's beloved Pokedex holder does things!!
Is this how you treat a Gym Leader who's personally showing you the way!?
Would it hurt you to be a bit thankful!?
ぱっちゃ!!
Owww!! Okay, I'm sorry! Jeez!!



Oh, I see something!!
That's it, right!?
Welcome, all participants!!
This is the Pokeathlon Dome,
where you can enjoy sports with your Pokemon!!

Here on our unrivaled six-hour special!!
We here at Goldenrod Radio will cover the events all day!!
Today, many Pokeathletes will challenge the 10 events!!
It's been six months since this dome opened!
Then, I'll go on ahead!!
Woo !!
Wah!
You normal people!!
Move, move!!
Can't you.
go through the line like everyone else!?

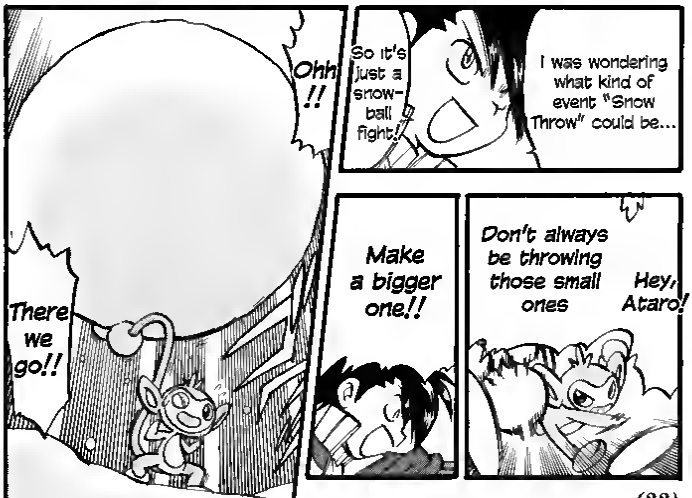
Hwah !!
Oh
We're really sorry
Sorry for the ruckus
I-I can't see...
Gah!
Did that person... really come?
.....



Not my problem. You're going to have to change anyways
My new clothes are all dirty!!
Anyways, what are you going to do about this!?
No!!
What are you looking around for!? I bet you're looking for another way to cut in line, huh!!
Change?
Are you an S? or an M?
What!?
You look like an M
Here, change into this!!
Hey, hey, hey!!
Isn't this a jersey!?
It sure fits you!! You can't compete if you don't wear this, you know!!
Now, let's go!!

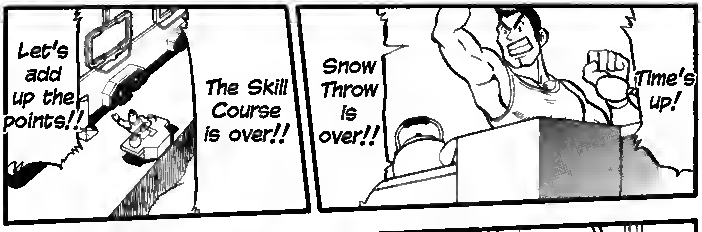
Block Smash
Goal Roll
Pennant Capture
Disc Catch
Ring Drop
Snow Throw
Of course, the trainers send out the Pokemon, so the trainers' management skills are also important!!
Relay Run
Hurdle Dash
The Poke-athlon!!
There are ten events for trainers where trainers and Pokemon can compete together in!!
They are not "battles" in which Pokemon fight, but "sports" in which Pokemon compete!
Lamp Jump
Circle Push
Okay, let's go!!
Explo-taro!!
Go get 'em--
Ata-ro!!
Poi-taro!!

Now, over there!!
Go!!
Throw those balls!!

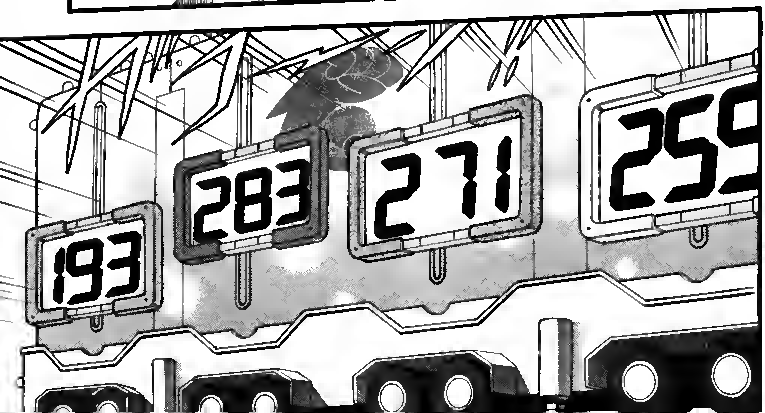


I was wondering what kind of event "Snow Throw" could be...
So it's just a snow-ball fight!
Ohh !!
There we go!!
Make a bigger one!!
Don't always be throwing those small ones
Hey, Ataro!

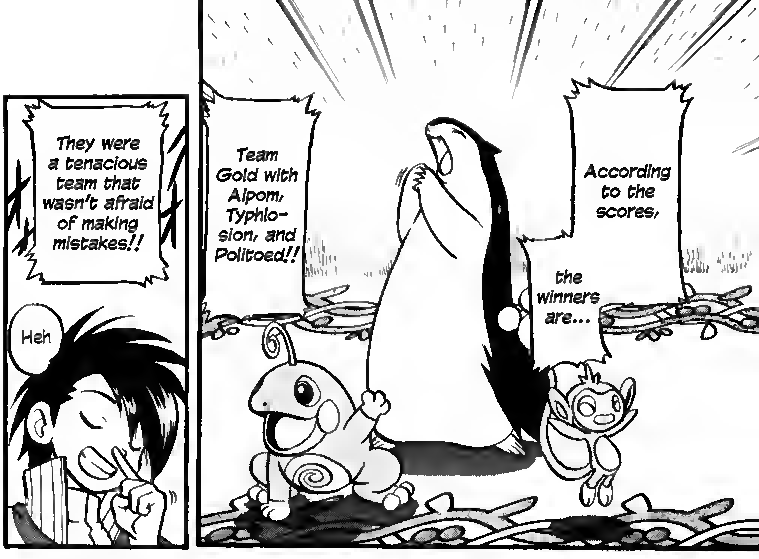
ビュッ!!



Let's add up the points!!
The Skill Course is over!!
Snow Throw is over!!
Time's up!

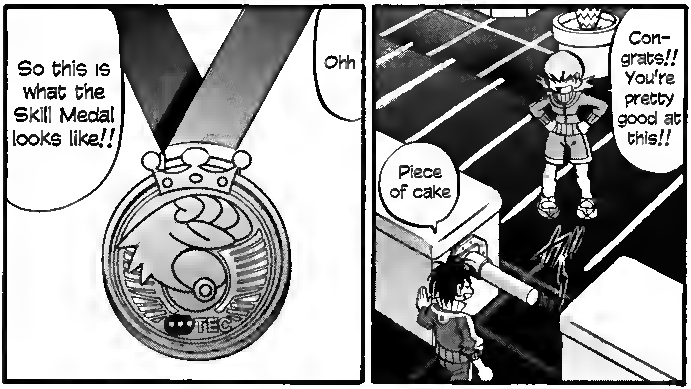


193
283
271
259

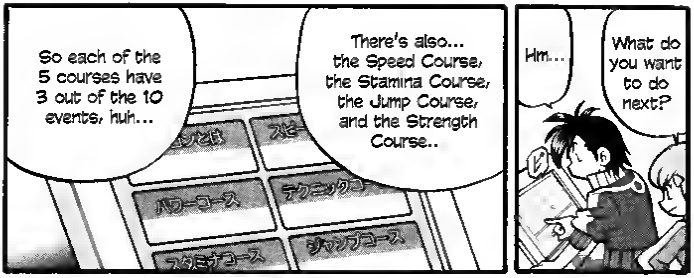


They were a tenacious team that wasn't afraid of making mistakes!!
Heh
Team Gold with Aipom, Typhlosion, and Politoed!!
According to the scores,
the winners are...

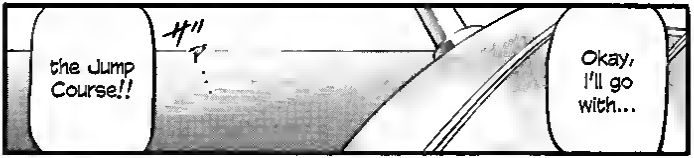
Thanks
Here's your medal



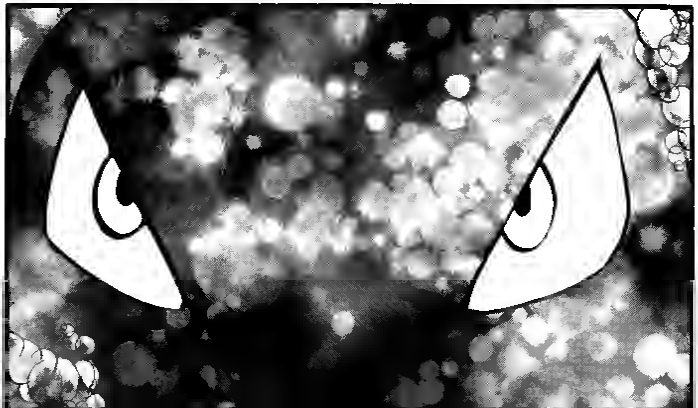
So this is what the Skill Medal looks like!!
Ohh
Piece of cake
Congrats!! You're pretty good at this!!

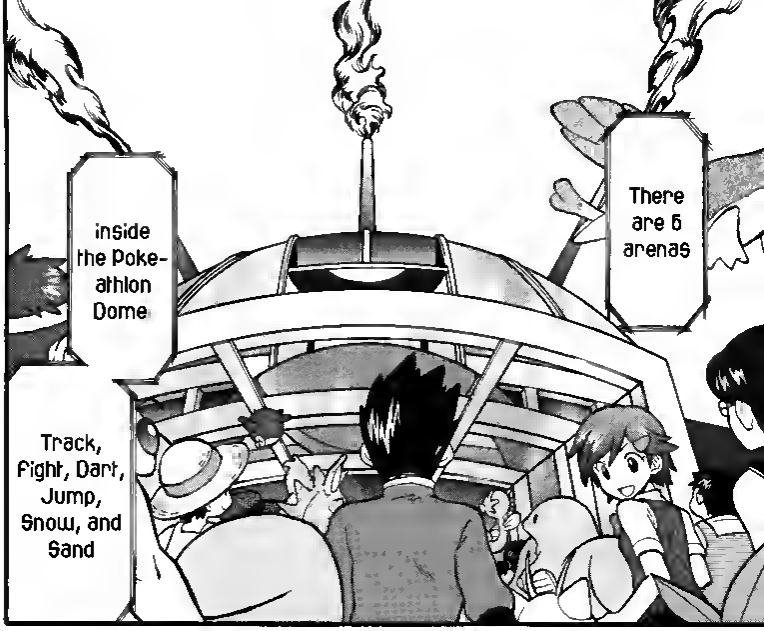


So each of the 5 courses have 3 out of the 10 events, huh...
There's also... the Speed Course, the Stamina Course, the Jump Course, and the Strength Course..
パワーコース
スタミナコース
ジャンプコース
Hm...
What do you want to do next?

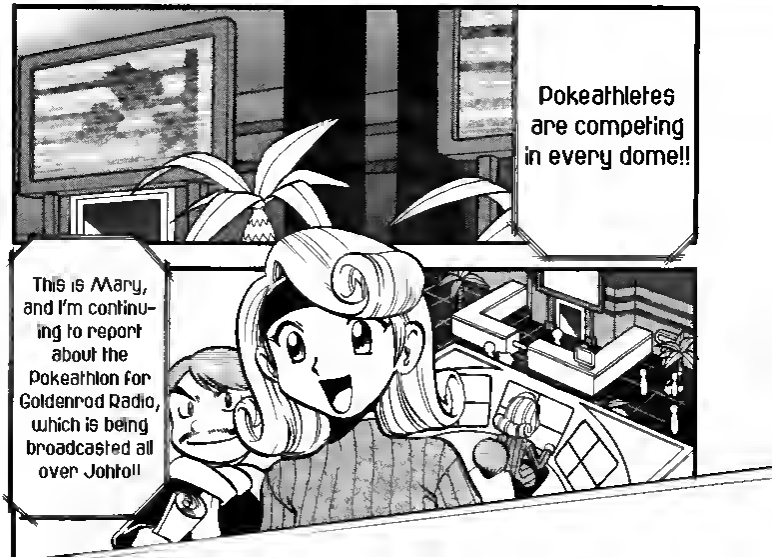


the Jump Course!!
Okay, I'll go with...





There are 6 arenas
inside the Poke-athlon Dome
Track, Fight, Dart, Jump, Snow, and Sand



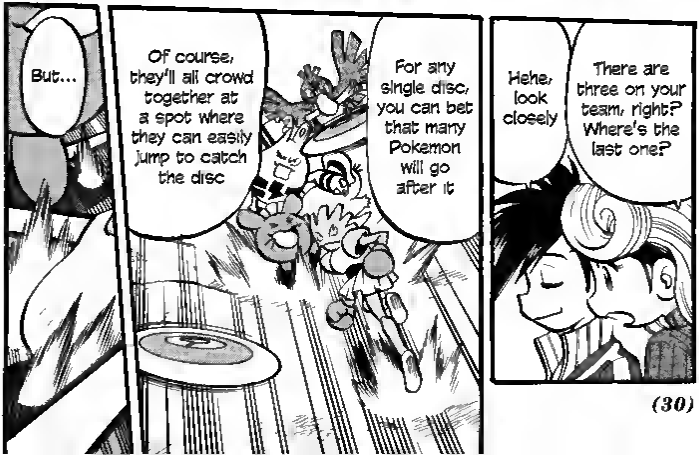
Pokeathletes are competing in every dome!!
This is Mary, and I'm continuing to report about the Pokeathlon for Goldenrod Radio, which is being broadcasted all over Johto!!

It's a competition where Pokemon jump to get more saucers
Taking place in the Sand Dome now is the event "Disc Catch"
Hoo!! Hah!!
Hoo!! Hah!!
Everyone is vigorously giving orders to their own Pokemon
Let's take a close look
Move, move!!
Oh hhhh!!
Oh!!
Huh? That was...
Hoo! Ha-...

Y-... You're ...
Woah!! If it isn't the idol of Goldrenrod Radio, Mary!!
Gold!!
The trouble-maker from New Bark Town who stirs up strife wherever he goes!!
That's a mean thing to say to the hero who saved Johto from danger
If you're wearing a jersey, then that means that you're partici-pating...
but why were you running?
Oh, I can explain that

Apri-juice!
For this!
Oh, it's done ♫
I've gotta put the ingredients into the Apriblender and run
I didn't know before this, but the store owner told me that in order to make juice from apricorns
Look, they can do fine without me having to give them orders about everything!
Don't worry about them
Oh
Your Pokemon are in the competition, right!?
But what about giving orders?

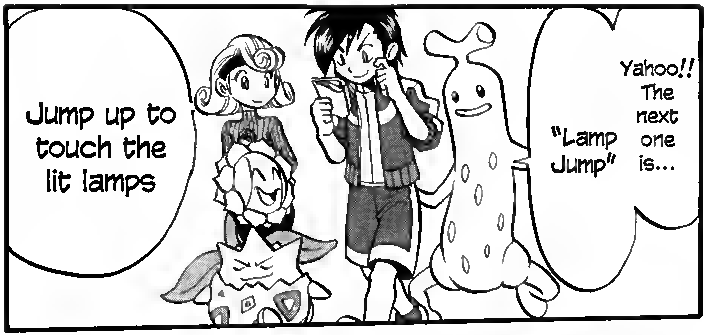
Utaro!
Sin-taro!
My partners are the best!!



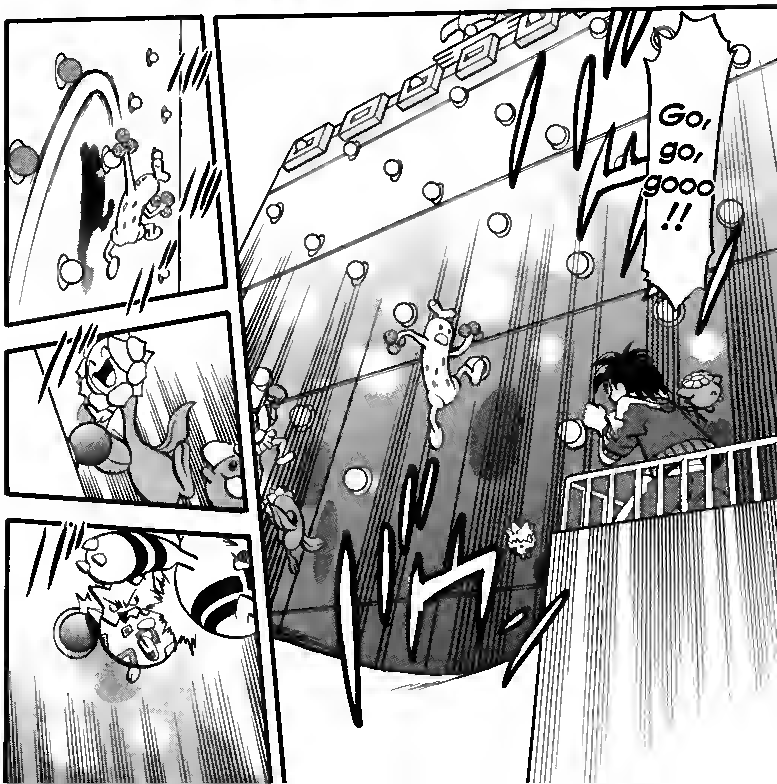
But...
Of course, they'll all crowd together at a spot where they can easily jump to catch the disc
For any single disc, you can bet that many Pokemon will go after it
Hehe, look closely
There are three on your team, right? Where's the last one?

my Togetaro can easily swim through those crowds!
That's because it's tiny!!

It also has a naughty spirit that doesn't give up!!
It more than makes up for its tiny body!!
The Disc Catch is over!!

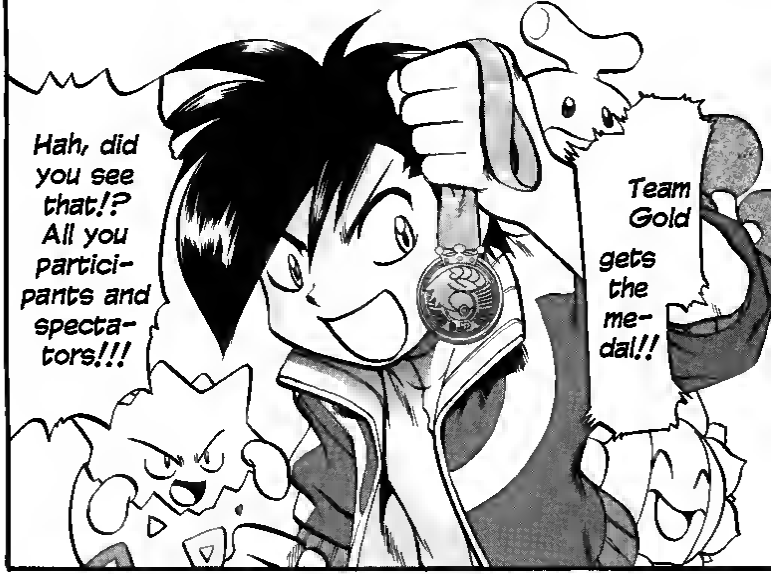


Jump up to touch the lit lamps
Yahoo!! The next one is...
"Lamp Jump"

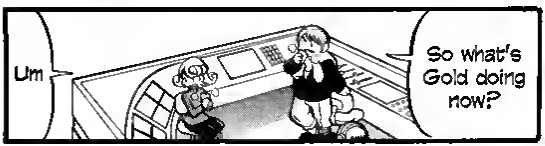


Go, go, gooo !!

But ...
ガッガッガ!
How crude...
Huh?
Hee hee
Just like twins
The winner is...!
51
150
Let's add up the points for the "Jump Course"...
The Lamp Jump is over!!

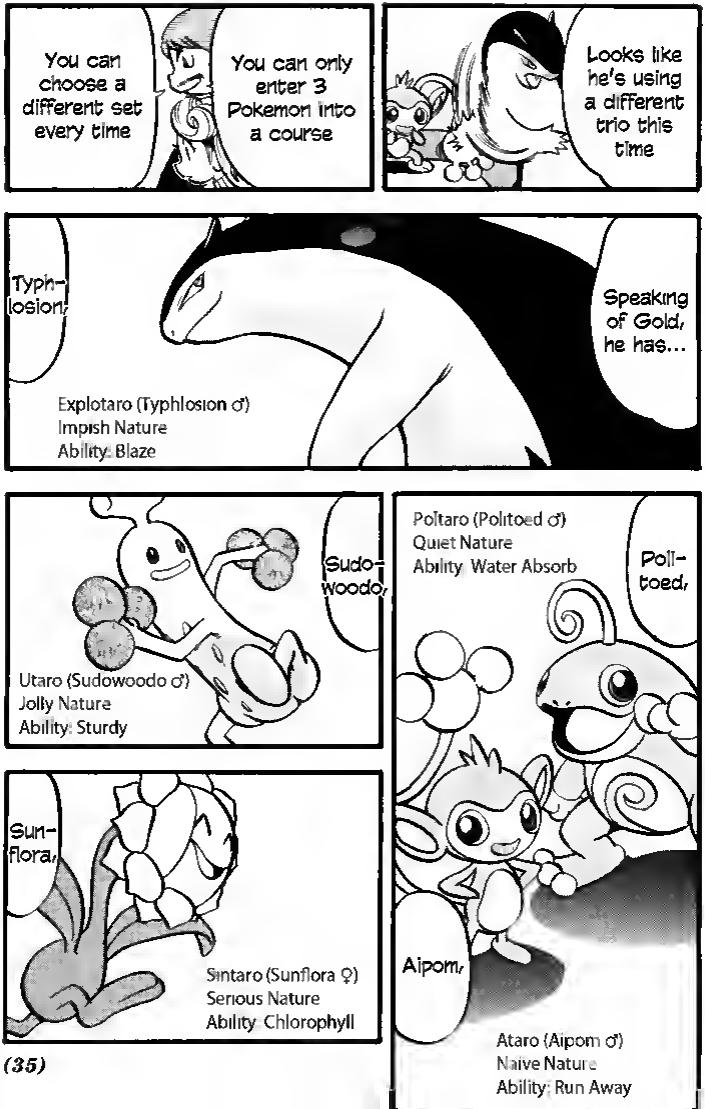


Hah, did you see that!? All you participants and spectators!!!
Team Gold gets the medal!!

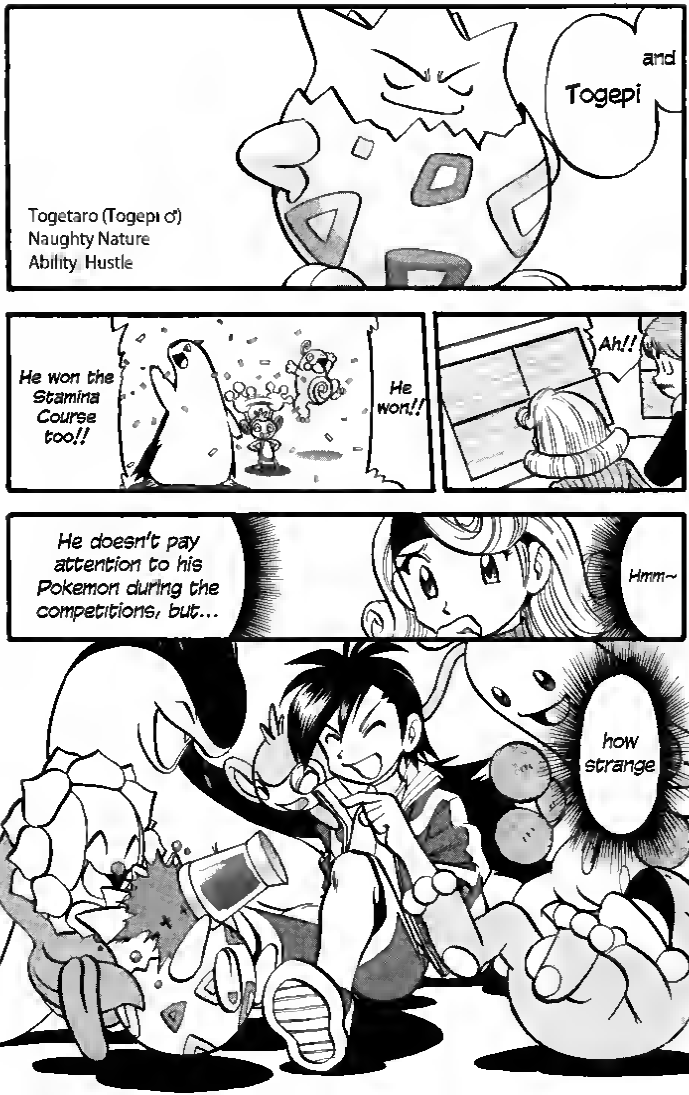


Um
So what's Gold doing now?

He's in the Ring Drop right now
He immediately entered in the Stamina Course



You can choose a different set every time
You can only enter 3 Pokemon into a course
Looks like he's using a different trio this time
Typh-losion,
Speaking of Gold, he has...
Explotaro (Typhlosion ♂)
Impish Nature
Ability: Blaze
Sudo-woodo,
Utaro (Sudowoodo ♂)
Jolly Nature
Ability: Sturdy
Poltaro (Politoed ♂)
Quiet Nature
Ability: Water Absorb
Poli-toed,
Sun-flora,
Sintaro (Sunflora ♀)
Serious Nature
Ability: Chlorophyll
Aipom,
Ataro (Aipom ♂)
Naive Nature
Ability: Run Away



and
Togepi
Togetaro (Togepi ♂)
Naughty Nature
Ability: Hustle
He won the Stamina Course too!!
He won!!
Ah!!
He doesn't pay attention to his Pokemon during the competitions, but...
Hmm~
how strange

Let's enter into the Speed Course next!!
Okay !!
Hmm
What is it?
Well, if he's going to enter into the Speed Course,
then he's going to have to fight Jet,
the Poke-athlon's Top Poke-athlete!!
The top-class athlete with the top score in every event and every course!!
Ohh!!
Even Gold may not be able to win against him!!

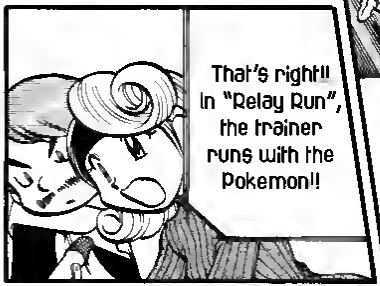
What's going on!?
Track Dome
Jet is performing~♡
Kyah, Jet~!!
perfor-mance!!
I will give you all a magnifi-cent
Mary's hunches were right...
Pen-nant Cap-ture
Hurdle Dash

Gotta turn this around...!!
but Jet is always ahead!
Just as I thought, Gold isn't doing badly.
The final event is...
Now, it's finally time for the third event of the Speed Course!!
the "Relay Run"!!
The Pokemon have to run while avoiding the gravel and the statues!!
First runners, on your marks!!
Get set!!

Go!!

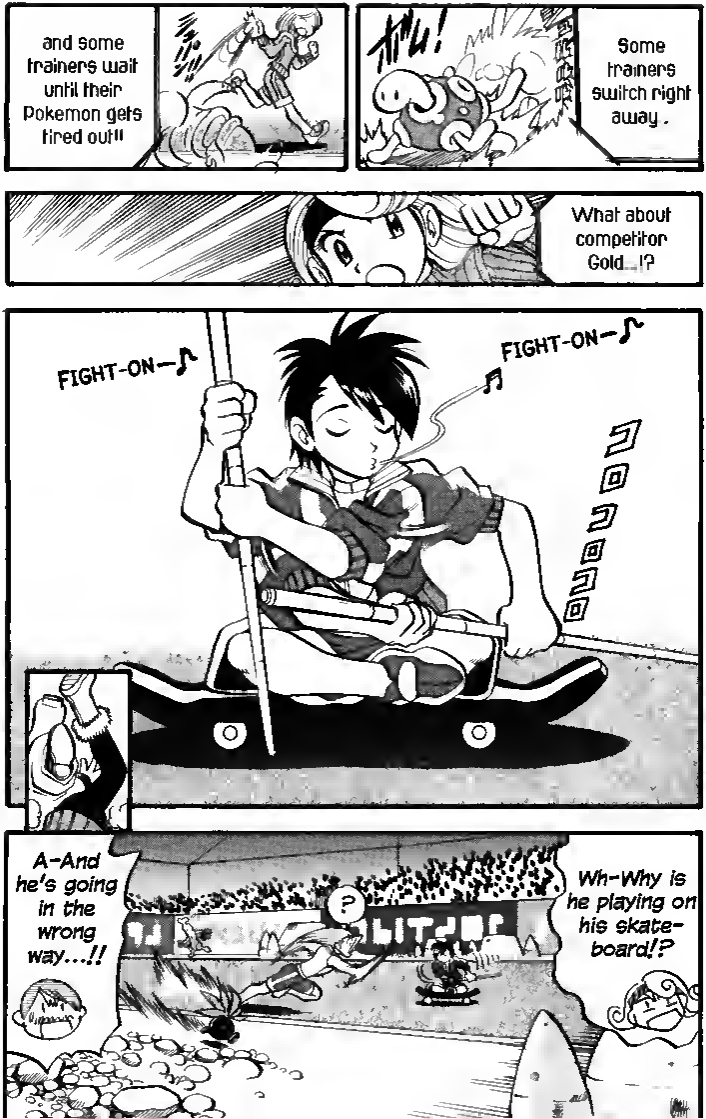
And Jet himself...
is also fast!!

Jet's Voltorb dashes off!!
It's fast, and it has a big lead!!

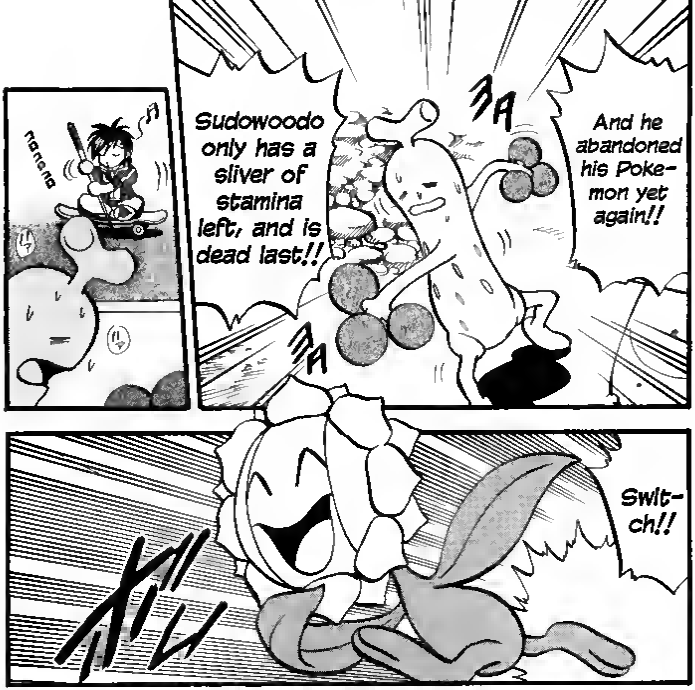


That's right!! In "Relay Run", the trainer runs with the Pokemon!!

Unlike a regular relay race, the trainer has to decide when to switch his Pokemon!!
The trainer must run with his Pokemon to decide whether it's tired or not!!



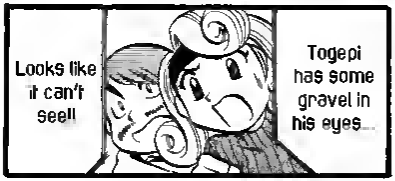
and some trainers wait until their Pokemon gets tired out!!
Some trainers switch right away.
What about competitor Gold...!?
FIGHT-ON-♪
FIGHT-ON-♪
コロコロコロ
A-And he's going in the wrong way...!!
?
Wh-Why is he playing on his skate-board!?



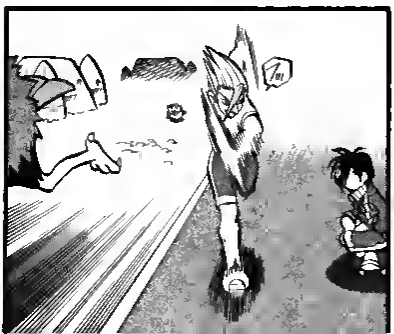
Sudowoodo only has a sliver of stamina left, and is dead last!!
And he abandoned his Pokemon yet again!!
Switch!!
Switch!!
There isn't much time left on the clock!!
Jet is all the way across from him!!
He switches into Sunflora!! But...!!

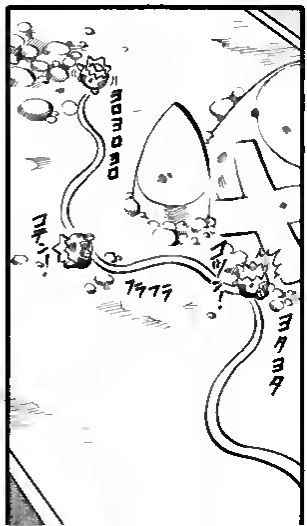
Jet is coming up right behind him!!
Gold must have kept it as his trump card, but...
He finally switches into his Togepi, which is known for his speed!!
ゴロゴロゴロ

!!



Looks like it can't see!!
Togepi has some gravel in his eyes...



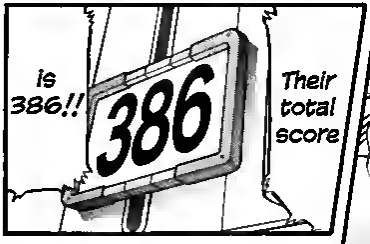


ヨクヨク
フラフラ

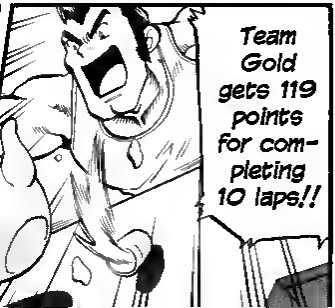
Don't slow down!!
Toge-caro!!
おぉぉぉぉ
Don't be scared!! Run as fast as you can!!!
This is insane!! Togepi can't see!!
He's going to hit the statue!!!

Right, left, right, jump, right, jump, left...!!
Toge-taro!!
When it seemed like he was playing with his skateboard,
he was actually memorizing the positions of the obstacles...!!
It-It's just like what Gold says ...!!
And now, Togepi, who knows the positions of all of the obstacles,
isn't hesitating or making any unnecessary movements!!

Goooo
ooal!!



Their total score
386
is 386!!



Team Gold gets 119 points for completing 10 laps!!

* Spoken in English rather than Japanese.

Hehe, of course!!
That was amazing! It's like Togepi and you understood each other perfectly!!
Yo! Mary!!
Gold!!
Thank you, thank you
That was a wonderful and wild performance!
Team Gold turns things around to win the Speed Course!!
I hatched him myself!!
We've been together since Togetaro was just an egg!!

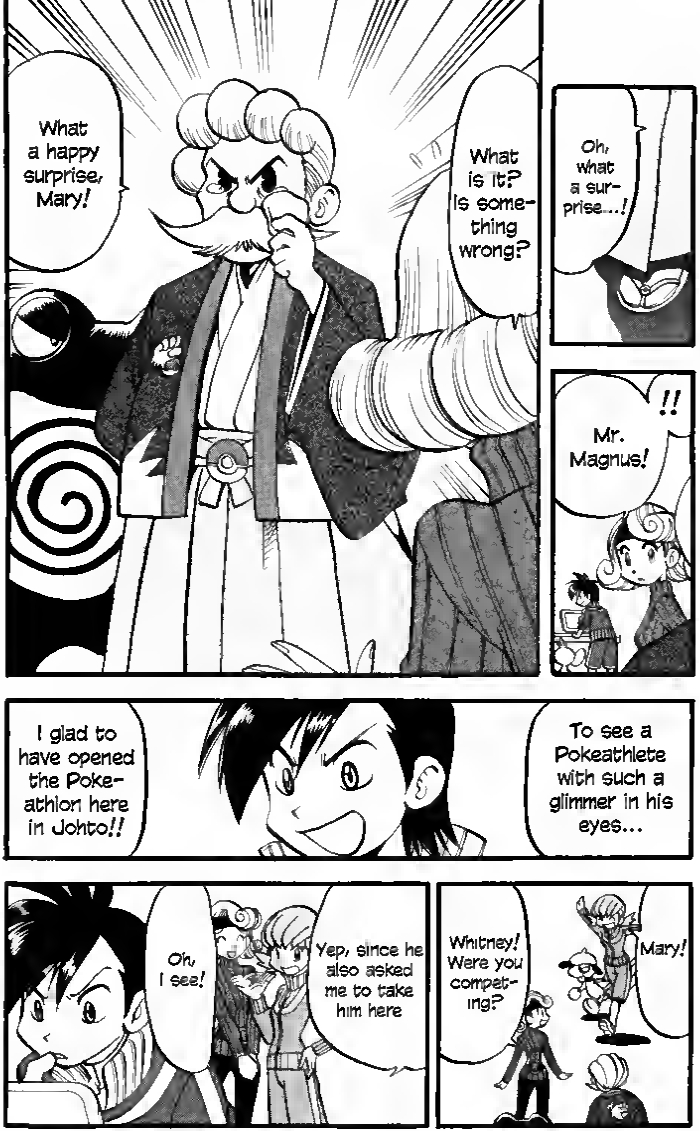
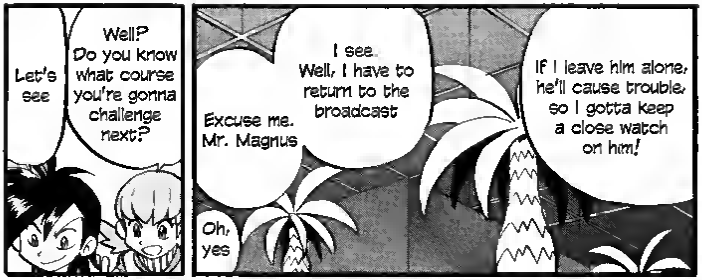
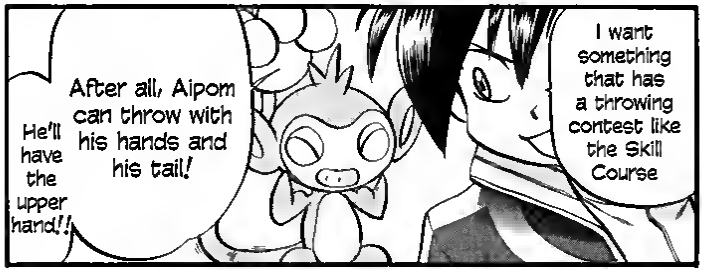
POCKET MONSTERS SPECIAL
The Nineth Chapter 9
HEART GOLD & SOUL SILVER



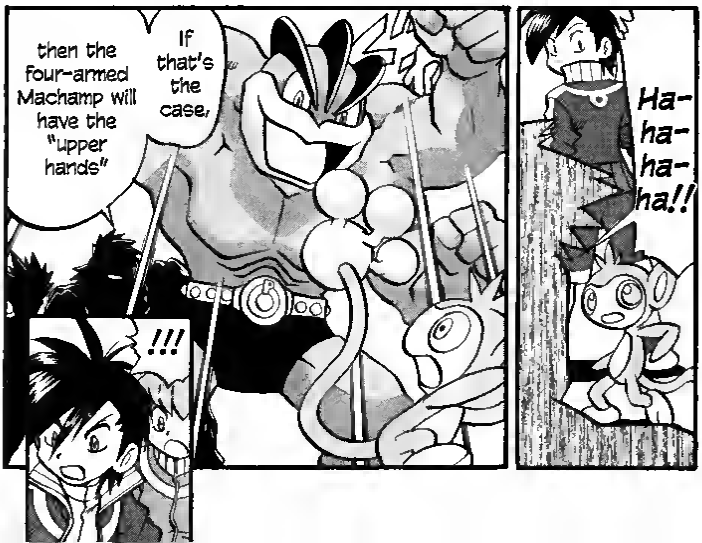
What a happy surprise, Mary!
What is it? Is something wrong?
Oh, what a surprise...!
!!
Mr. Magnus!
I glad to have opened the Poke-athlon here in Johto!!
To see a Pokeathlete with such a glimmer in his eyes...
Oh, I see!
Yep, since he also asked me to take him here
Whitney! Were you competing?
Mary!



Let's see
Well? Do you know what course you're gonna challenge next?
Excuse me. Mr. Magnus
I see. Well, I have to return to the broadcast
Oh, yes
If I leave him alone, he'll cause trouble, so I gotta keep a close watch on him!



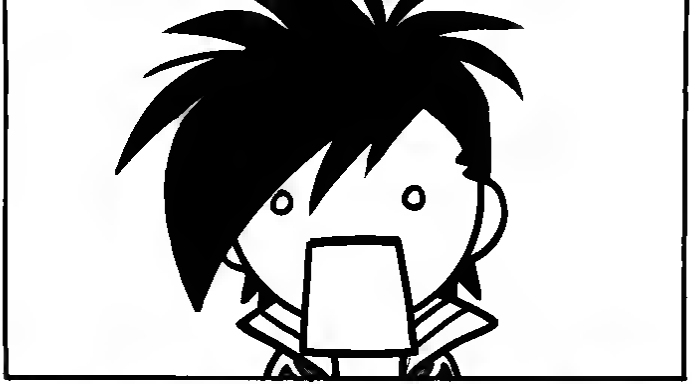
He'll have the upper hand!!
After all, Aipom can throw with his hands and his tail!
I want something that has a throwing contest like the Skill Course



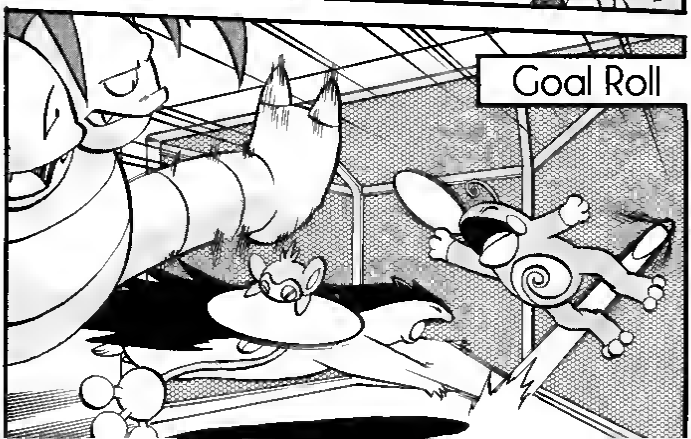
then the four-armed Machamp will have the "upper hands"
If that's the case,
!!!
Ha-ha-ha-ha!!

Y-You guys are...
Who are you guys?
Y-You fool! They're the really famous trainers!!
H-How rude!
Um, they're ...

Together, they're the "Elite Four"
and Koga
Will,
Bruno,
Karen,
Yep!
We have to promote the league and help out with the Pokeathlon
Our goal is "to help wholesome trainers." Funny, huh
We've been given the task of checking the strength of all who come to the Pokemon league
All four of us have illustrious pasts, but we've talked with the Pokemon Association, and now we work for them
Does this mean that you compete against people?
Hmm? I don't understand what that means
Do you want to challenge the next course with us?
Oh?
You bet!!



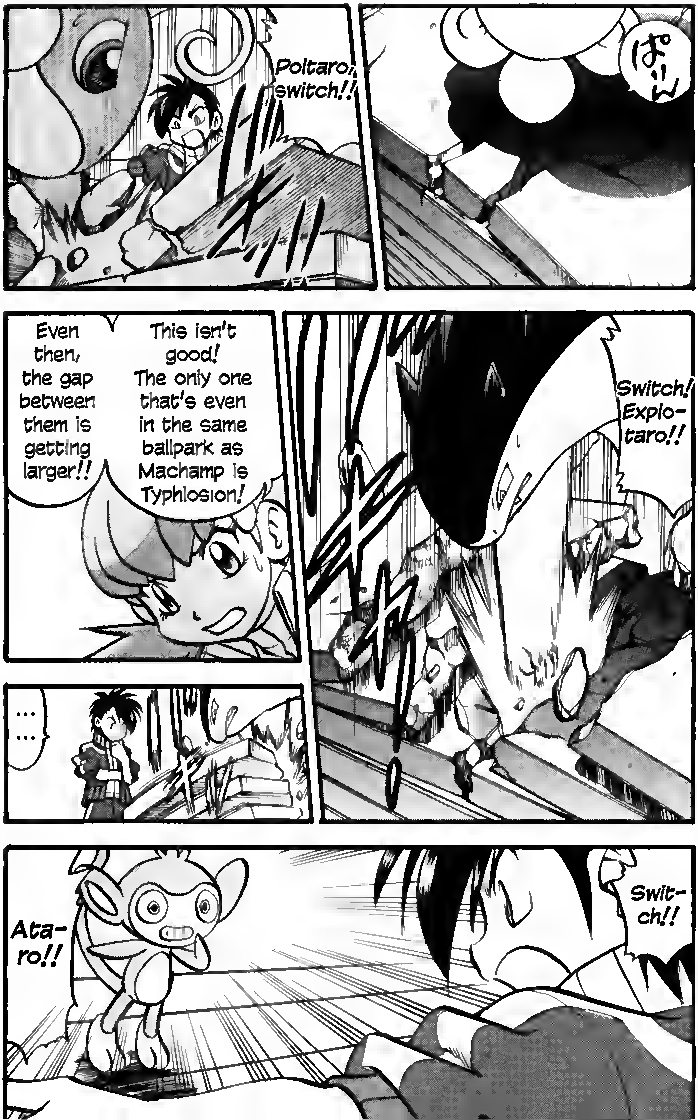
Circle Push



Goal Roll

won't lose to him!!
But his competitors, Bruno, Koga, and Will,
is challenging the last course, Power!!
Competitor Gold, who got good scores in the Skill, Jump, Stamina, and Speed courses
He's not getting any points!
Can competitor Gold pull ahead of his powerful opponents?
The last event of the Power course is the Block Smash!!
This is where Bruno will shine
...
The Pokemon break sets of 10 blocks. The trainer can freely switch his Pokemon out in a fixed order...

Hehe
A-All 10 in one blow...!!
He also chops through the next 10
without using up its stamina..!!!
How about Gold!?



Poltaro! switch!!
ぱぃ
Even then, the gap between them is getting larger!!
This isn't good! The only one that's even in the same ballpark as Machamp is Typhlosion!
Switch! Explo-taro!!
…
…
Ata-ro!!
Swit-ch!!

W-Why!? Why didn't he stay with Typhlosion!?
It's over
Well,
What's so funny!?
He-heh
Heh
I had to find another way to make up for that and fight back!!
That's why...
I knew that I couldn't win against you in power right after the event started

That's where Ataro comes in
Even if its attacks are weak,
it can continue to hammer away at the dead center of the block!
It has kept landing critical hits!!
And it's still landing even more!!

Hm!!
This means that...
The tension of his team is rising!!
If they go into High Tension mode...
Then they'll get enough power to fight back!!

Wow!!
He's catching up to Bruno!!

MWO-OOA-AHH!!
He doesn't have as many arms as Mach-amp, but the problem isn't in the number!!
He's aiming for a hit through the dead center:
a critical hit!!
What a turn-around!! The winner of the Power course is also com-petitor Gold!!
Well done!
Con-grats!!
Piece of cake
Huh?
By the way, can you finally tell me?
That was splendid, Gold
A man like you wouldn't come here for mere sports, right?
Why did you come to this place?

What? Is that true?
I had no idea...
I could see it in your eyes
You knew? How?
Huh!?
.....
I'm waiting for a man called Lance
He's going to give me information about Arceus

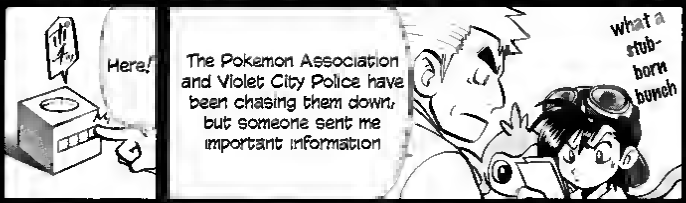
I'm waiting for a man called Lance
He's going to give me information about Arceus
... Lance
Oh... That man...
Who's this Lance!?
What the hell is Arceus!?
Hey, Gold, you didn't tell me anything about this!!
Didn't you say that you wanted me to take you here because you want to challenge this place!?
Why didn't you tell me anything about this!?
ゴロゴロゴロゴロゴロ

If you want to complain, then complain to old man Oak!!
I couldn't say anything!!
Owwww! Sorry, Whitney!!
That's right. He told me to come here
Professor Oak?
You can't be talking about that respected scholar...
Old man Oak?
the Goldenrod Radio Tower...
Hm? The Burned Tower, the Lake of Rage,
look at those photos!
That geezer told me to come to his lab...
I called you here for an important matter!
Gold,
Professor Oak's Second Lab
No!!
I don't want to look at the photos of your tour around Johto, gramps

Look at these guys!!
It's Team Rocket!!
They've been seen all over Johto recently!!
They must be up to no good!!
Right, Elm!?

Yes!
Gold, what Professor Oak is saying
is that Team Rocket might be trying to get back on its feet and rebuild itself



what a stub-born bunch
The Pokemon Association and Violet City Police have been chasing them down, but someone sent me important information
Here!

Hey, just watch the message!!
Wow! It's a hologram!! I've never seen one before!!
Ohh!!
I believe this is the first time we have met
Professor Oak, my name is Lance
I'm sure that you are cautious towards me, but even then I want to ask a favor of you
the legendary Alpha Pokemon
This time, their target is
Team Rocket is starting to make a comeback
Arceus!!

I will meet him or her there at the Pokeathlon Dome on...
I want to ask you to send to me a trainer to whom you have entrusted a Pokedex with
I want to tell you everything I know about Arceus
I see. So that's why you called for me...
Now be off with you!
Get everything he knows about Arceus! Don't be late!!
Jeez, this is such a chore
Why don't you ask Silver or Crys?
I already tried, but I couldn't get in contact with Silver, and Crys is busy at the Trainer House
mumble..
WHAT!?
So you only called me because you had no choice, you old geezer!?
J-Just go already!
Well, Gold, just think of this as a chance to play at the new attraction.../

Well, that's how things went
The most respected scholar begged me to come here, so I had to keep it top secret
But you're just a substi-tute
But you're just a substi-tute
But you're just a substi-tute
But you're just a substi-tute
But you're just a substi-tute
But then it's should be about time
for that Lance person to finally show up
Yea
I know, right...
Wah!!
Some-thing's coming!
From the sea...!!
Wh-What, Mr. Koga!?
From under-ground...! No!!

A D-D-D-D-Dragonite!?
Kyah !!
Uwah !!

You too, Mary ...!!
This is an emergency situation!! Everyone, please evacuate!!
What in the world is this !?
It's a Dragonite!! A Dragonite is attacking the dome!!
We need to stop it!!
Oh no!!

What an explosive "Hyper Beam"!!
No!! And we released our Pokemon so close up, too...!!
Uwah!!

Ahh !!
Huh!?
Wah!!
Th-This is bad, Gold!!
Gold !?
!?

D-Do you even have a plan, Gold!?
Of cour-se!!
ズゥン!!

Hyah-hhh!!
Ni.
C..
Ninja geezer
and Captain Protein
The best move that that Dragonite has is "Hyper Beam", right?
So tell me when it's looks like
he's going to shoot !!
I'll use Ataro and gang to make him aim at me
Wha !?

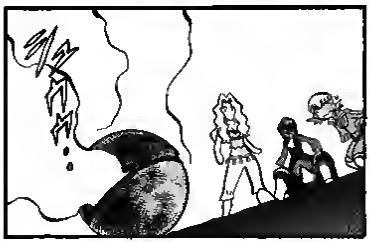
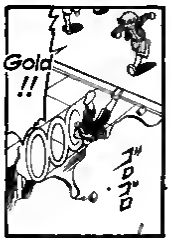
GO-
O-
O-
O!!





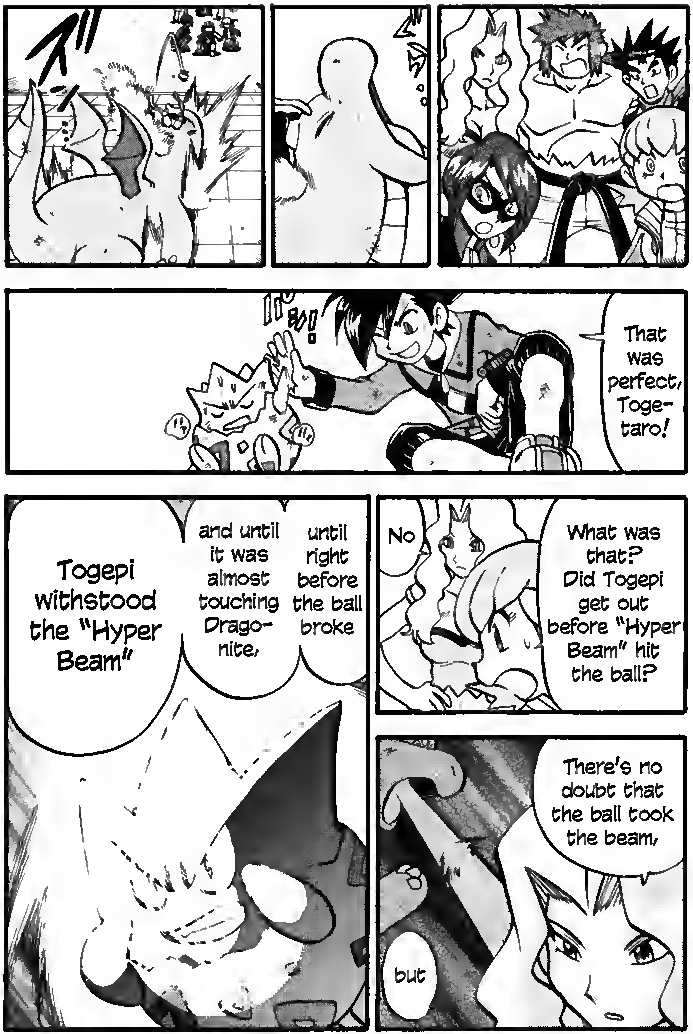
Gold!!

Both you and your Pokemon got hurt...

It was pointless! Don't put everything on the line for a bet like this!!

But ...!!
So he was trying to open the ball in the Dragonite's face right after it shoots, huh!!

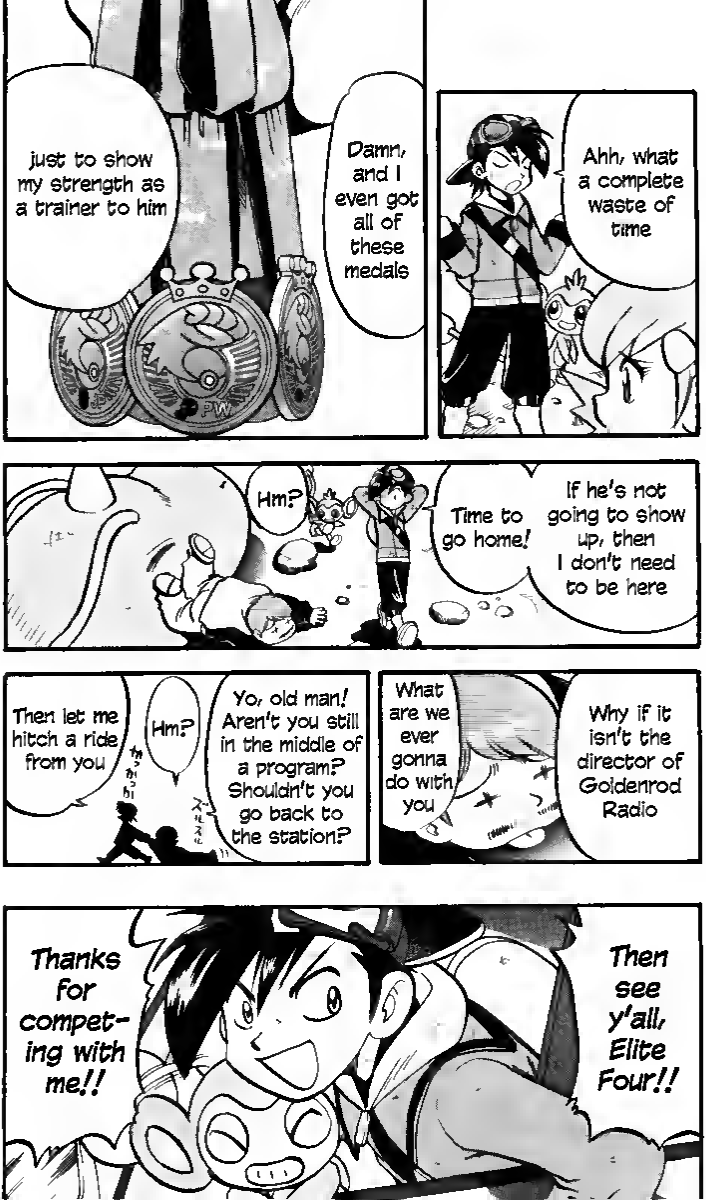
Shut up
I only bet if I know I'll win



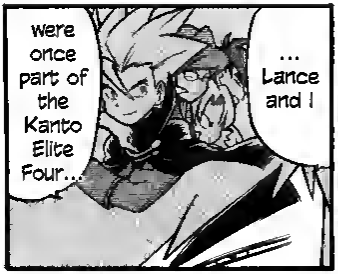
That was perfect, Togetaro!
What was that? Did Togepi get out before "Hyper Beam" hit the ball?
No
There's no doubt that the ball took the beam,
but
until right before the ball broke
and until it was almost touching Dragonite,
Togepi withstood the "Hyper Beam"

Hehehe, what do you think
about Togetaro's naughty spirit!?
To go right into the opponent's beam...
The Pokemon are just as reckless as their trainer
Hey, I calculated this out, okay
Look
This is ...!!
...a part of a mantle ...!?
This means that ...!
Yeah, this Dragonite probably belongs to that Lance guy
I did research on him before coming here
I heard that Lance can change the path of his Dragon Pokemons' "Hyper Beam" as he pleased

Yep
I see. So you came up with that plan only because you knew the path of the beams and how much your Togepi had to endure
Then I realized that that might be because his trainer isn't around
But just now, this Dragonite's "Hyper Beam" only went in a straight line
Yeah. As a former colleague of Lance, if this is his Pokemon,
Looks like it was in a battle before coming here
But this Dragonite sure is beaten up
After getting attacked and losing his master, Dragonite went on a rampage
That's why only his Dragonite is here and not himself
then I'm afraid that Lance may have been attacked on his way here
.....

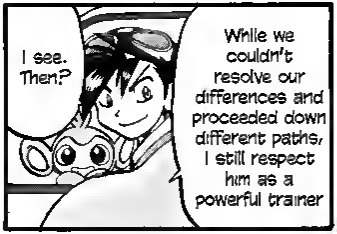


just to show my strength as a trainer to him
Damn, and I even got all of these medals
Ahh, what a complete waste of time
Hm?
Time to go home!
If he's not going to show up, then I don't need to be here
Then let me hitch a ride from you
Hm?
Yo, old man! Aren't you still in the middle of a program? Shouldn't you go back to the station?
What are we ever gonna do with you
Why if it isn't the director of Goldenrod Radio
Thanks for competing with me!!
Then see y'all, Elite Four!!

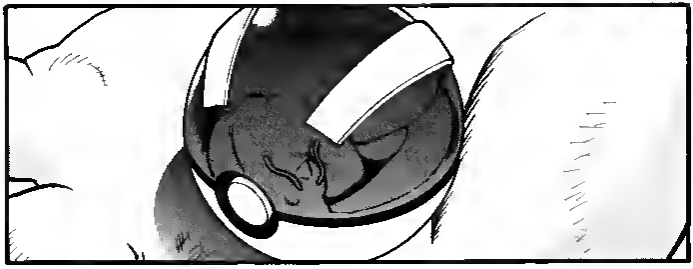


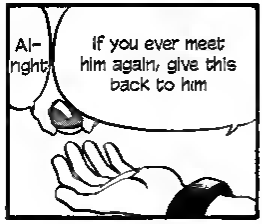
were once part of the Kanto Elite Four...
... Lance and I

It was fun for us too, Gold



I see. Then?
While we couldn't resolve our differences and proceeded down different paths, I still respect him as a powerful trainer



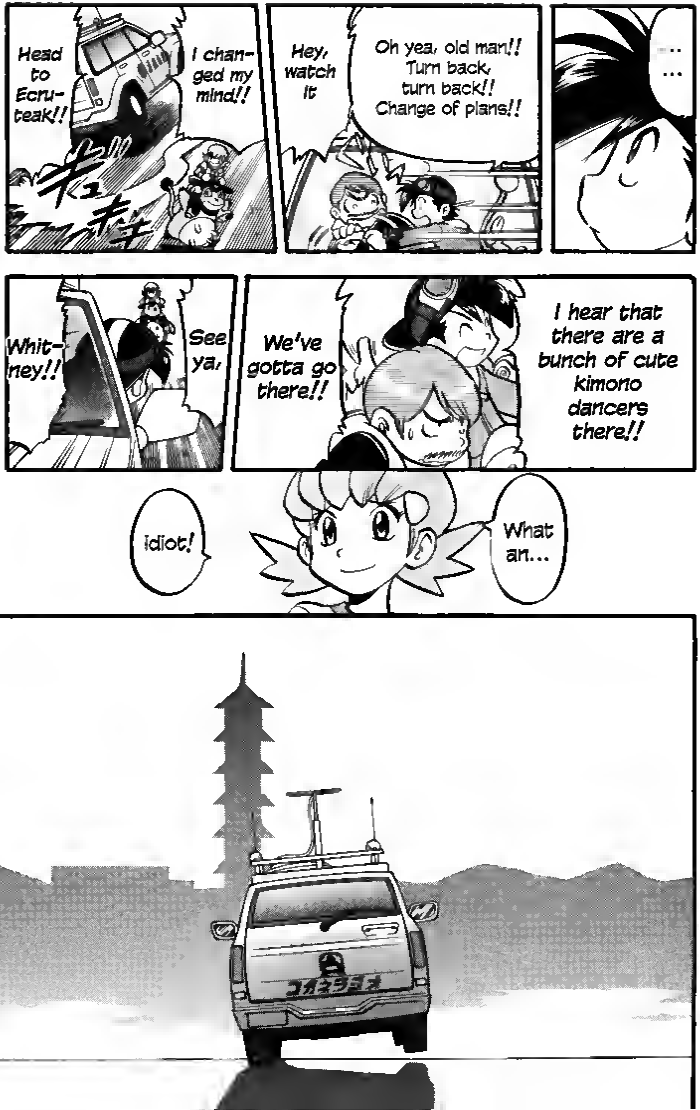


Al-right
If you ever meet him again, give this back to him

but it looks like it still has faint memories of me
It was hard to get it back into the ball,
It's his Drago-nite

See ya!!
So long!!
The leftovers from the souvenirs I bought along the way!
Then let me give you some gifts too!
Violet Cookies,
Azalea Dango,
and Rage-Candy-Bars...
Let's see
Hm...
MMMH-HMMM-MMM!!
Wait up!!
This is good! This is too good!! Everything else that I've ever eaten pales in comparison to this!!

Gold, are you fine with this!?
Are you going to ignore Professor Oak's orders,
the rumors about Team Rocket, and the fact that this Lance person is missing,
and just go home!!?
Now look here,
Whitney
Wh ...!
Things like that are why we have the police
I've never even met Lance before
I don't really care about him
All I know
Even the most powerful trainer in this region and those two famous professors are worried about it
this "Arceus" Pokemon
is that I really want to see



Head to Ecru-teak!!
I changed my mind!!
Hey, watch it
Oh yea, old man!! Turn back, turn back!! Change of plans!!

See ya,
We've gotta go there!!

All of these are recent events in Johto

Wha-...!
They don't seem to be your Pokemon, Clair
Did they follow me to attack me...?
A hostile swarm...
Or do they have a different goal...?
In any case...

the only choice is to fight!!

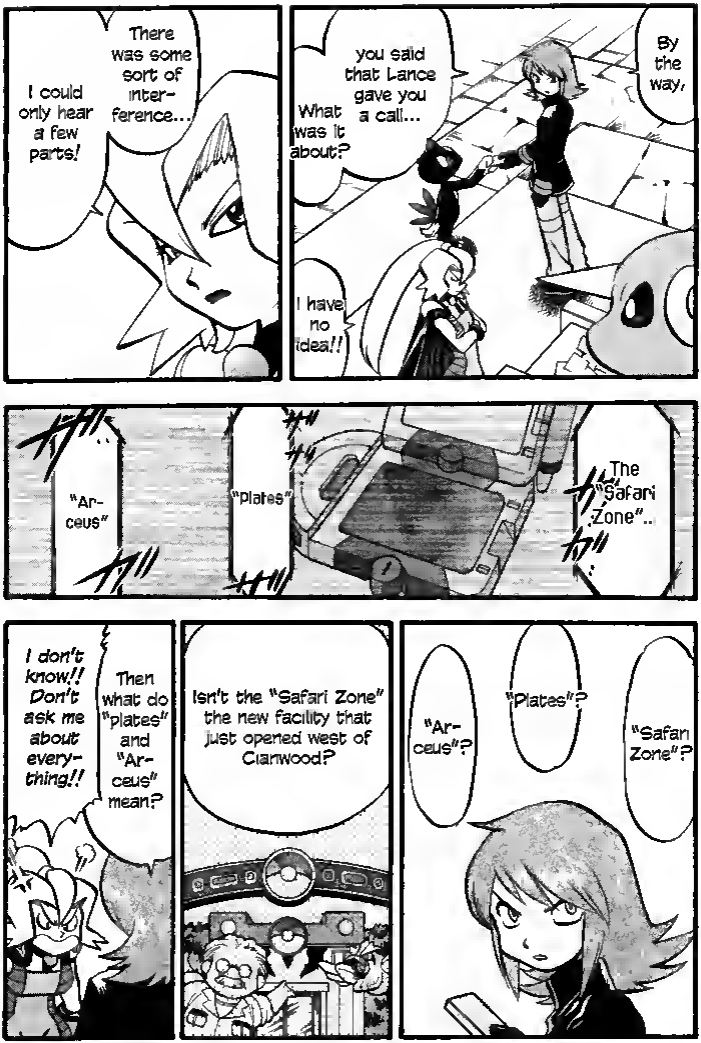
So many ...
In a flash ...!!
This is also thanks to the one you call Brother
Ferraligatr used... "Hydro Cannon"!!
Isn't that the ultimate move!?
Yeah
Due to certain circumstances, I had the chance to learn it

So you're... a Pokedex Holder!!
Sneasel!!

It got away!!
Yeah, but...

He got that from the Koffin?
The move that Sneasel is best at, "Thief"
The Koffin was trying to escape with this

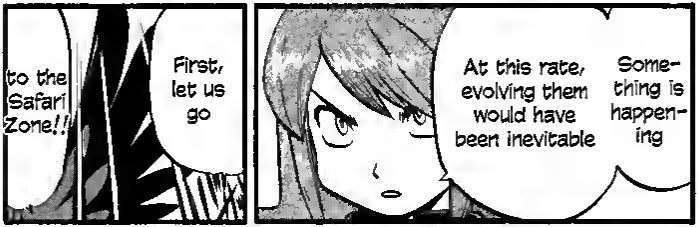
Oh yeah ...
I've also used it on you before
Let me give this back to you
!?
I stole a badge while you were away



There was some sort of interference...
I could only hear a few parts!
By the way,
you said that Lance gave you a call...
What was it about?
I have no idea!!
"Arceus"
"plates"
The "Safari Zone"...
"Plates"?
"Arceus"?
"Safari Zone"?
Isn't the "Safari Zone" the new facility that just opened west of Cianwood?
Then what do "plates" and "Arceus" mean?
I don't know!! Don't ask me about everything!!

Hey! Your Murkrow and Sneasel are...
Plate...
Weavile ♂
Quirky nature
Hot-blooded
Honchkrow ♂
Adamant nature
Likes to fight

So the power gained during that last battle and the items they held
made them evolve, huh



Something is happening
At this rate, evolving them would have been inevitable
First, let us go
to the Safari Zone!!

Cliff Cave
For 3 years, I've aimed for the position of boss!!
I just couldn't give up!
99
98
100
When I'm serious, things like this are a piece of cake!!
We have complete control over this area!!
I've put signs of our return everywhere!!
That's why I gathered up all of the remnants of Team Rocket and got weapons and equipment
I've done this all by myself
Hee... Heehee-hee!!

But isn't that wrong?
Wh-Who is it!?
Now, no matter who comes back, I won't let them get to be the boss!!
Not even my comrades,
and not even our last boss, Giovanni!!
Gah ahh
you were once part of the Three Beasts, which were Boss Giovanni's personal bodyguards, so you should understand, right?
Carr.
Team Rocket owes everything to Boss Giovanni
Team Rocket belongs to Boss Giovanni
Gweh ...!!

Only the ones who carry on Boss Giovanni's will has the right to be commanders of our organization
...That's why
we will be taking command now
Archer,
Ariana,
Pro-ton,
We, the four Rocket Admins!!
and Petrel

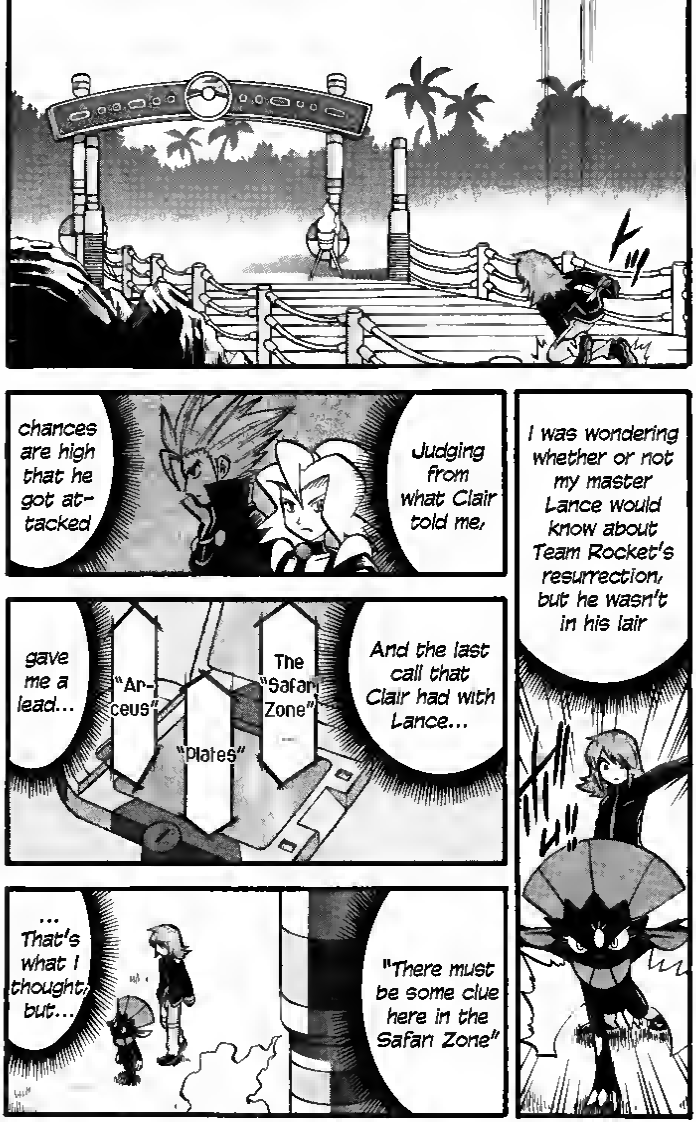
VS WEAVILE

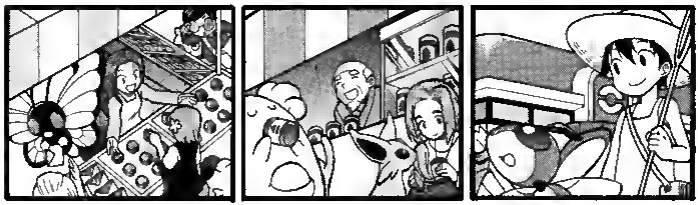
The evil organi-zation, Team Rocket
is trying to rise from its ashes!!
What are they after!?
And ...
What if they're being
led by ...!!
No!! It doesn't matter who the ringleader is!!
As long as they're hurting others,
I'll put a stop to their plans!!

So that's it, huh
!!
The Safari Zone!!

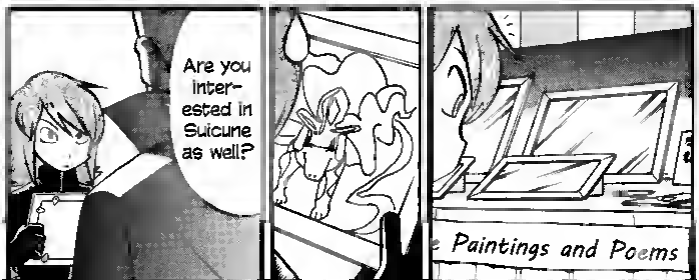


I was wondering whether or not my master Lance would know about Team Rocket's resurrection, but he wasn't in his lair
Judging from what Clair told me,
chances are high that he got attacked
And the last call that Clair had with Lance...
The "Safari Zone"
"Arceus"
"Plates"
gave me a lead...
"There must be some clue here in the Safari Zone"
... That's what I thought, but...

……



What a big crowd
It doesn't look like this is connected to Team Rocket at all



Are you interested in Suicune as well?
Paintings and Poems

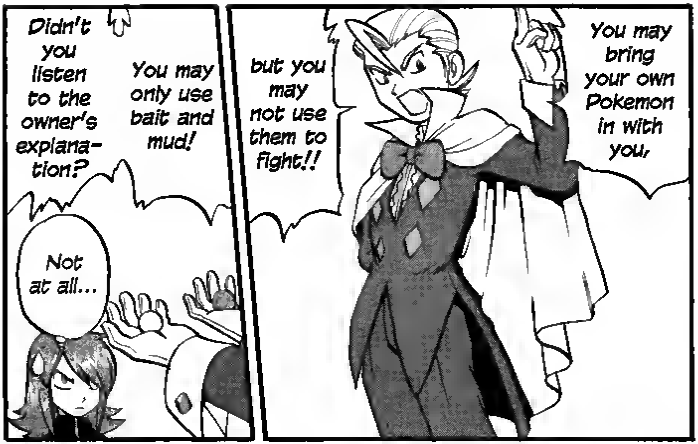
This is the only place in this world where you can gaze upon these beautiful paintings of Suicune,
the Poke-mon that I've spent most of my life chasing after!!
Hey!!
Are there any clues around here...
Now is the time you've all been waiting for!! Come on in!!
Please enter in an orderly fashion!!
No ...
I...

You can catch Pokemon until you use up all 30 Safari Balls you got
or until you decide to quit!!
You will now be participating in the fun and exciting Safari Game!!
Welcome to the Safari Zone, everyone!! I'm the owner, Baoba!!
Let's look for Lance!!
This wasn't my plan, but I got inside
Go ahead and dig in!!
Now!!
This seems to be a facility for capturing rare Pokemon
This will be useful for training

!!
Wea-vile!!
I'll weaken it...

then catch it with th-...
AHH HHH

No, no, no, no, no!! Stop!!
Is that your Poke-mon that's fighting there!?
Y-Yea...



Didn't you listen to the owner's explanation?
You may only use bait and mud!
Not at all...
but you may not use them to fight!!
You may bring your own Pokemon in with you.

I was so shocked that I actually raised my voice, which I rarely do
Heh
That's all from me!

Oh, no
Are you an employee?
Oh, so you're the person who was showing off his Suicune drawings...

You said that you're a Suicune hunter, huh
I need to gather information for my mission

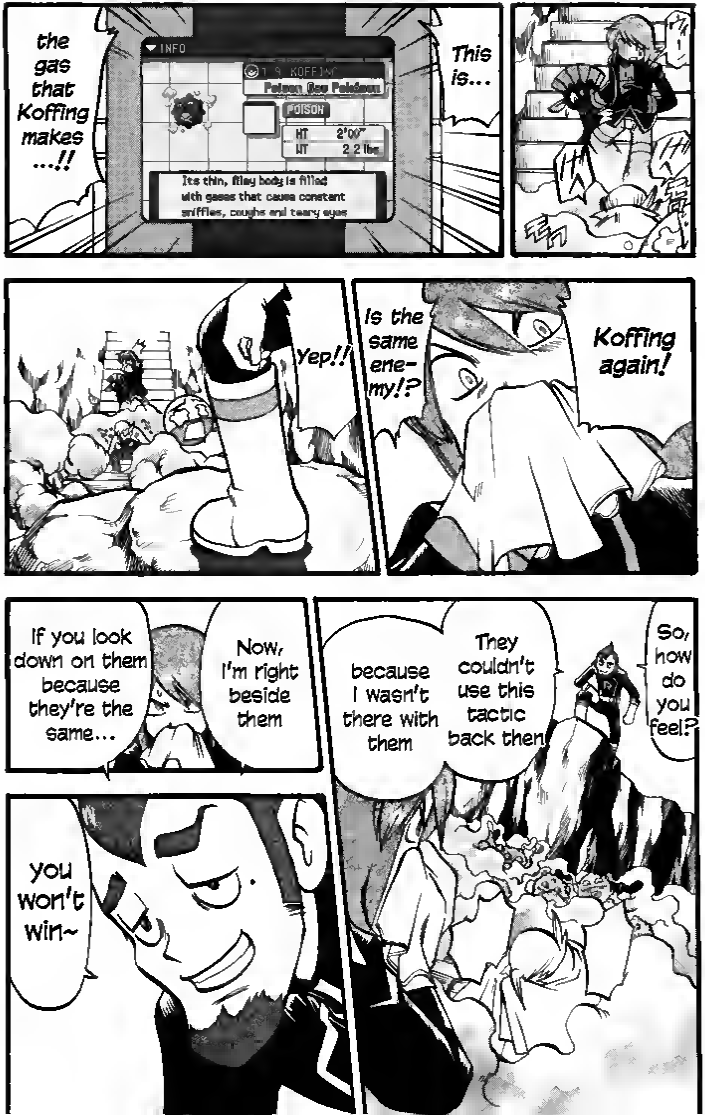
But please understand that if bad guests cause this place to go out of business, I'd be in trouble too

I'm a traveler on a journey for the legendary Pokemon Suicune!!
That's me!!
Exact-amun-do!!
He might know something
I'll test him
He seems suspicious... but I don't know if he's evil or not
Someone who's after legendary Pokemon
The summer winds are fleeting
but that makes them sweet... Ohh

Any-thing?
?
?
?
Got him!!
So he does have it!
The plate!

I see
So the one who defeated the swarm of Koffing that I snuck into Lance's lair
and stole the plate that I went to great pains to acquire...
was him!
We've gotta pay him back
Right?
Okay, time for revenge!

So he's not part of Team Rocket, huh...
No reaction...
Hm?
じわ
!?
BWAH!! BWHAD IS DIS!? I CAN'D SDOP MY DEARS AND DRIPPING NOZE!!
WA-HER-GAH-HAH!!
BLAR-GHE-FAR-GH!



the gas that Koffing makes ...!!

Is the same ene-my!?
Koffing again!
If you look down on them because they're the same...
Now, I'm right beside them
because I wasn't there with them
They couldn't use this tactic back then
So, how do you feel?
you won't win~

That mark on your chest!!
Who are you ...!?
I'm one of the Rocket Admins, the four top commanders of Team Rocket
I'm Petrel!!
One of the top commanders...!!
...I see ...So you're ...
Weavile!!

"Icy Wind"!!
Damn!!
You froze their "holes" to stop the gas!!
...But

won't be able to hold back your tears and snot, like that that guy in the mantle!
In time, you and your Weavile
now you've noticed
that the gas has already surrounded you!
this isn't the only use for the gas!!
And...
Wea-vile!!

!!
Raticate's "Hyper Fang"!?
This bite mark...!
Tch!!
Then, let's end this
Good!
SFX bite bite bite bite bite bite...
What's this sound!?
!?
It's hiding itself in the gas!!
ほい
ほい

ナデラ。
Uwah !!

You just barely saved your own skin and your friend while having no vision at all with your fast reactions!!
W-Well done!
But
now you're in no position to strike back

It's red, so is it the "Draco Plate"!?
Now, give me your plate
One step closer to completion!!
I'll have 3!
After your plate joins my "Toxic Plate" and "Earth Plate"...
Well, whatever
The "Fist Plate"?
!?
Or the "Flame Plate"?
Oh?
You didn't know? I guess I let my big mouth slip
Are you saying that there's more than one plate!?
Wait a minute!!

Well, whatever. I'll have to dispose of you once I get your plate anyways...
That's right! There's more than one!!
Team Rocket's goal is to get all of them!!
I see
...Then,
I'll have three once I take the two plates you have.
Huh!?

Woah, what's with this big splash!?

No... way
Now hand them over!
The two plates you have...!!
Tell me!!
How many plates are there!?

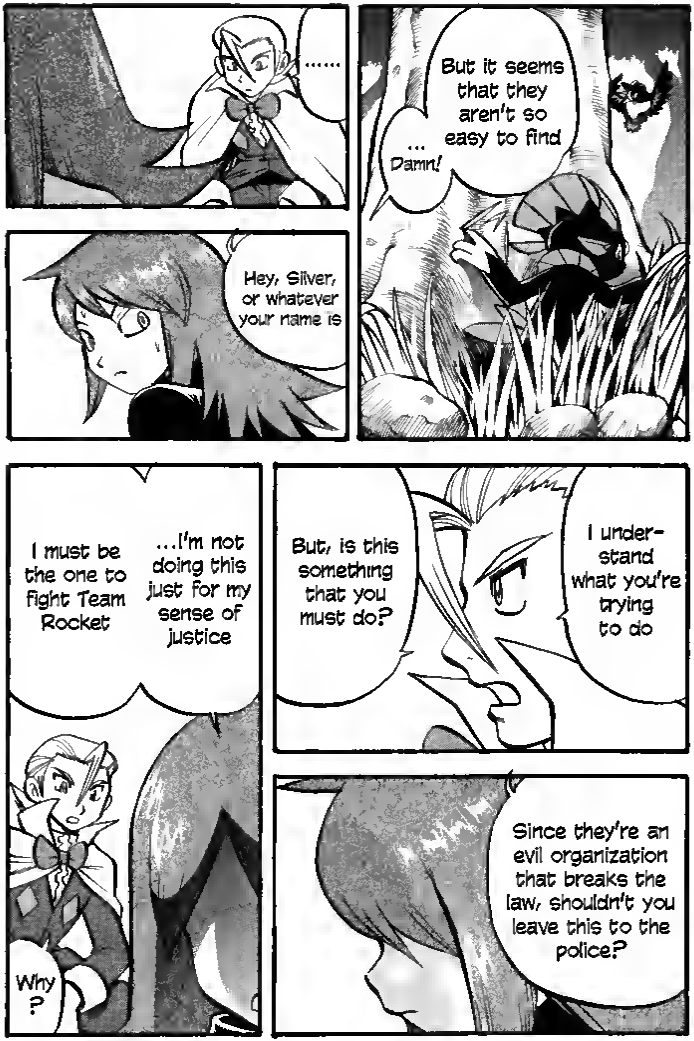
BWA-CH-OO!!
Hah
Hah

who was collecting these "plates"
The guy who just attacked us was a commander of the newly-revived Team Rocket...
So let me get this straight
There are 16 "plates", but you don't know what they're for
But, since Team Rocket wants them, they must want them for their evil deeds
Yep
That's why you want to stop them
Mr. Lance said something about the Safari Zone and the "plates" before disappearing...!!
I thought that there may be a few more here, but...!!

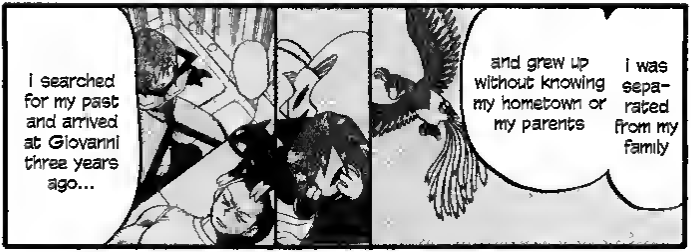


.....
But it seems that they aren't so easy to find
... Damn!
Hey, Silver, or whatever your name is
I understand what you're trying to do
But, is this something that you must do?
...I'm not doing this just for my sense of justice
I must be the one to fight Team Rocket
Why?
Since they're an evil organization that breaks the law, shouldn't you leave this to the police?

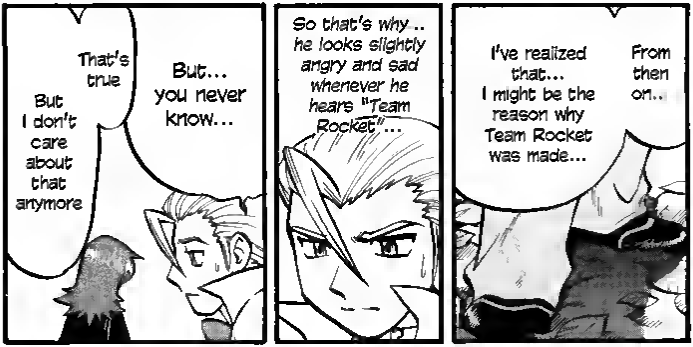
It's all because ...

The one who founded Team Rocket...
The one they call Boss Giovanni...
is my father!!

Wh-What!?
When I was an infant, I was kidnapped by a mysterious person called "Mask of Ice"



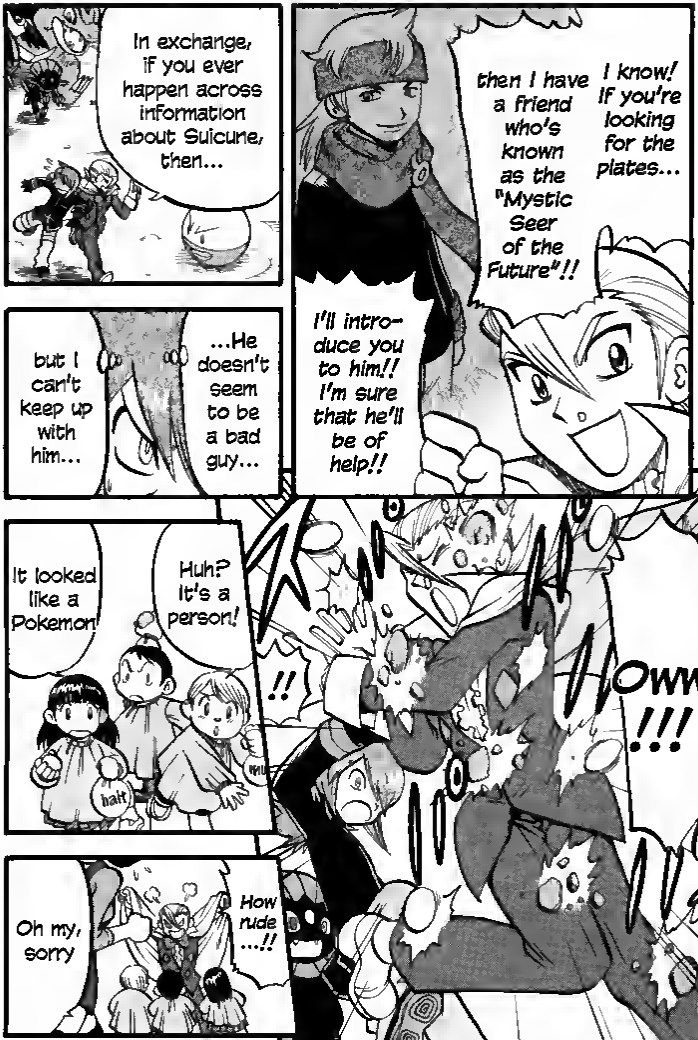
I searched for my past and arrived at Giovanni three years ago...
and grew up without knowing my hometown or my parents
I was separated from my family



That's true
But... you never know...
But I don't care about that anymore
So that's why .. he looks slightly angry and sad whenever he hears "Team Rocket"...
I've realized that... I might be the reason why Team Rocket was made...
From then on...

That's all
is putting my father's crimes to rest and not letting anyone else suffer like me anymore...
What's important now...

だ〜
ぐぬぬ!
The Koffings are back ...!?
ちゅん!
N-No, no!!
Silver!! Thanks for telling me about your rough past!!
After listening to your story, I, Suicune hunter Eusine, will be at your service!! If you need anything, just tell me!!
N-No, I...
Humans can't live alone!
You need someone to help you!



In exchange, if you ever happen across information about Suicune, then...
I know! If you're looking for the plates...
then I have a friend who's known as the "Mystic Seer of the Future"!!
I'll introduce you to him!! I'm sure that he'll be of help!!
...He doesn't seem to be a bad guy...
but I can't keep up with him...
Huh? It's a person!

We're friends, right?
Don't worry about it

There's Olivine City's lighthouse

we might as well ask him what he can see with his clairvoyance
Since Mr. Eusine told us about the Ecruteak City Gym Leader Morty,

Anyways, let's go to Ecruteak City

He even took my place in the trip...
but he's a great and trustworthy person
Ehehe. I'm sure that you thought that Mr. Eusine is strange,

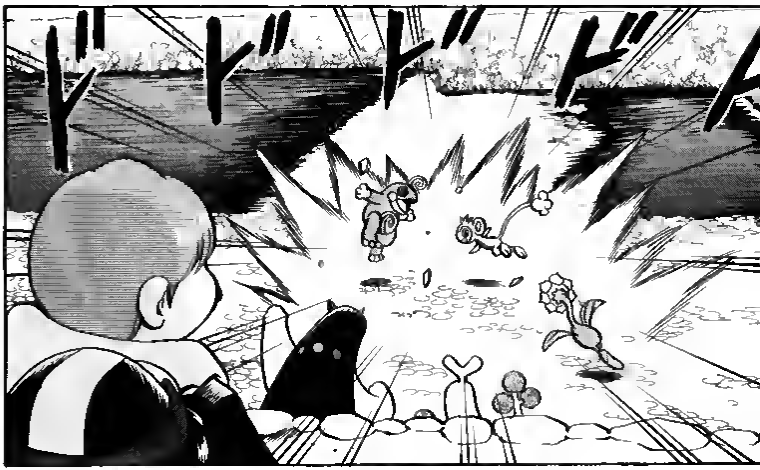
You've been leaving your Pokemon alone and coming to the Kimono Dance Theater for the last few days while neglecting to investigate the incident!!



I don't have to give them instructions for everything!

Ataro was motivated by that battle at the Pokeathlon Dome
He's full of en-- er--gy!!
Right now he's training to learn the move "Double Hit"!
On the other hand, why don't you go back to your radio job?
I know that you're covering this incident as a journalist
That's why you want me to do something, right?
Hm! How sharp of you!
Oh yea, you were even reporting on my training with Red on Mt. Silver

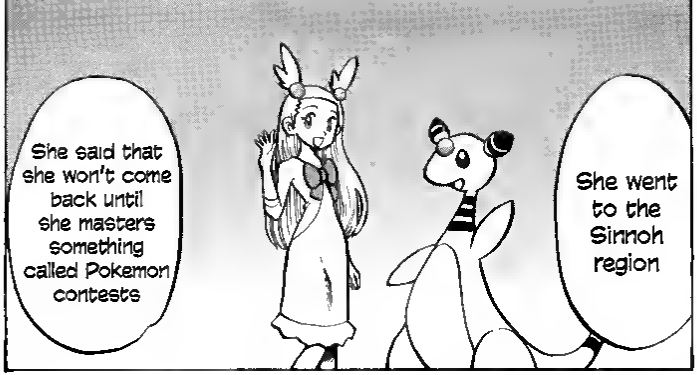
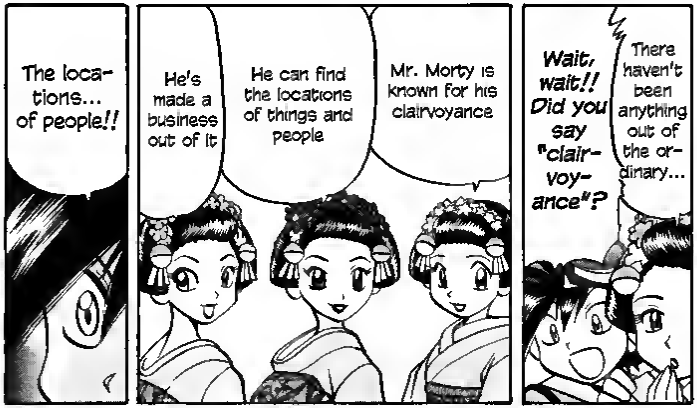
You're ...!!
Who are you again?
His name is Morty
H-He's the Ecruteak City Gym Leader
You mean Jasmine?
How is she doing?
Ah, now I remember! When the gym leaders were all together last time, he had a pretty girl with him

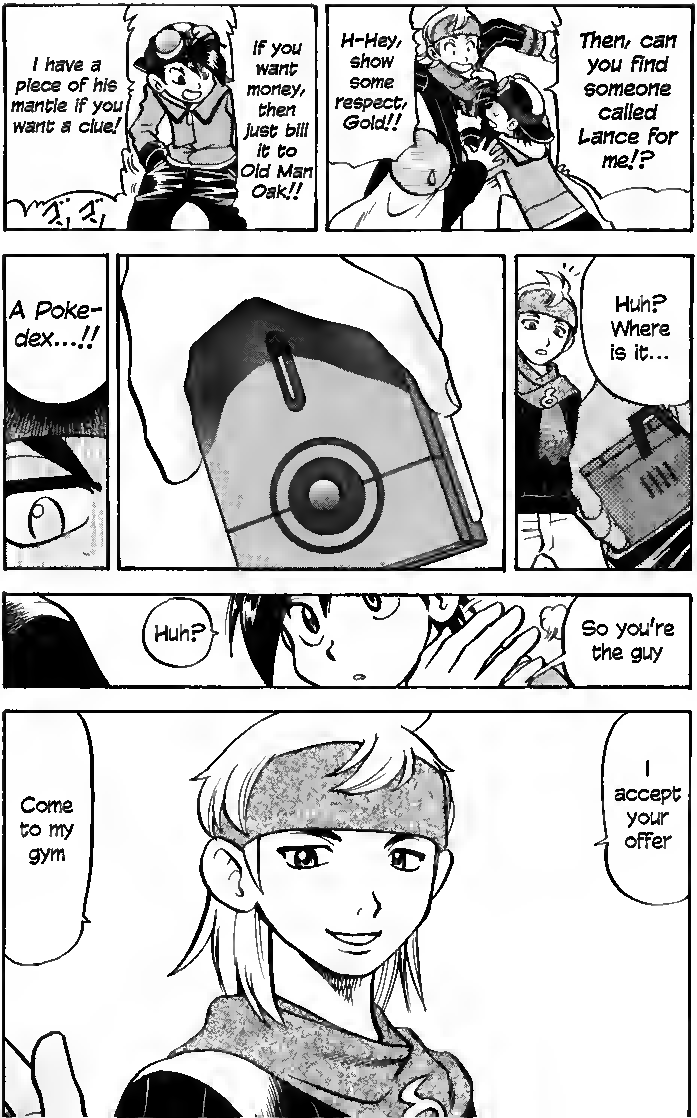


She said that she won't come back until she masters something called Pokemon contests
She went to the Sinnoh region

I was wondering if they did anything else to the city...
Some people barged into my gym demanding that I use my clairvoyance for them
I'm just patrolling around
What brings you here today?
Then, Mr. Morty
Wow, what a buzz-kill

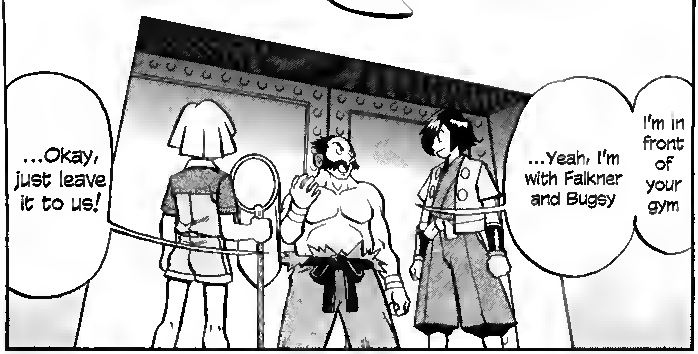


The locations... of people!!
He's made a business out of it
He can find the locations of things and people
Mr. Morty is known for his clairvoyance
Wait, wait!! Did you say "clairvoyance"?
There haven't been anything out of the ordinary...



I have a piece of his mantle if you want a clue!
If you want money, then just bill it to Old Man Oak!!
H-Hey, show some respect, Gold!!
Then, can you find someone called Lance for me!?
A Poke-dex...!!
Huh? Where is it...
Huh?
So you're the guy
Come to my gym
I accept your offer

Ecruteak Gym
I don't get it, but...
Huh? Huh?
Ya-hoo!!
So you're looking for
for the owner of this mantle?
Oh, Chuck .....
Hello?
Hold on
Hm?
Yea! I'm counting on you!!



I'm in front of your gym
...Yeah, I'm with Falkner and Bugsy
...Okay, just leave it to us!

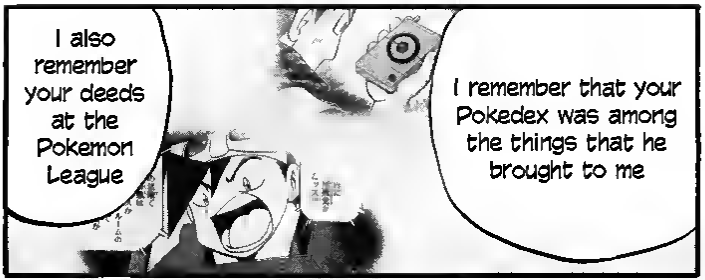
Hehe... This brings me back

Who?
They're Gym Leaders from other cities. I asked them to protect this gym from some suspicious people

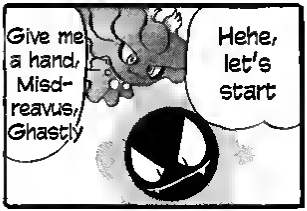
A man by the name of Surge asked me to find you and your friend. I found you on one of the Whirl Islands
A man and not a pretty girl?

You
BW HAA A!!

I've been asked to look for someone before in the same way
Oh? For who?



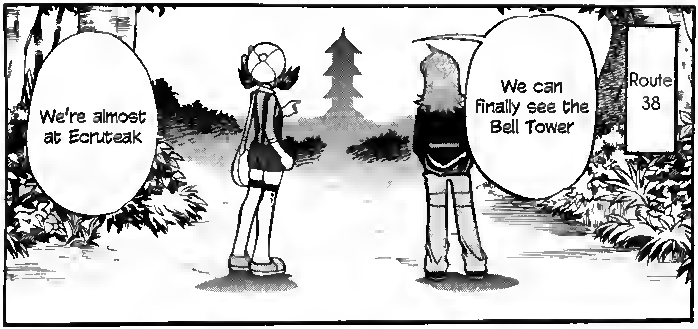
I also remember your deeds at the Pokemon League
I remember that your Pokedex was among the things that he brought to me



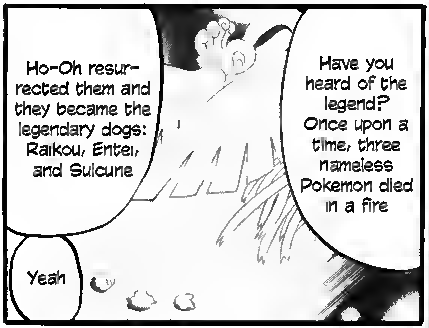
Give me a hand, Misdreavus, Ghastly
Hehe, let's start

Then, I'm counting on you as a friend, Mr. Morty
Woah! It's like we're friends

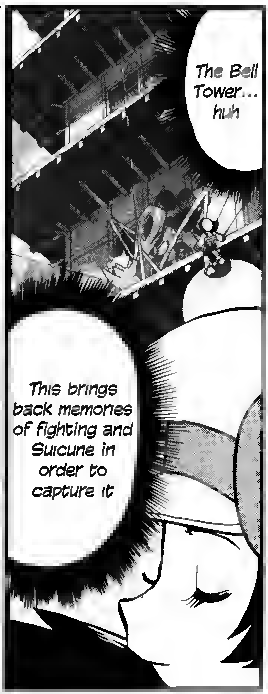
...Hm



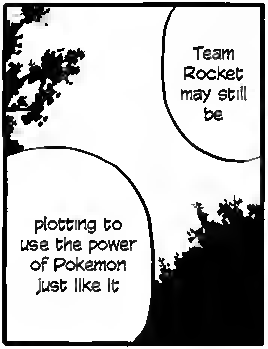
We're almost at Ecruteak
We can finally see the Bell Tower
Route 38



Have you heard of the legend? Once upon a time, three nameless Pokemon died in a fire
Ho-Oh resurrected them and they became the legendary dogs: Raikou, Entei, and Suicune
Yeah



The Bell Tower... huh
This brings back memories of fighting and Suicune in order to capture it



Team Rocket may still be
plotting to use the power of Pokemon just like it

A Pokemon that can bestow life, huh...

What are these "plates" that they're going after?
These things
If this Morty man really has clairvoyance,
then I'd like to ask him where to find the other plates
That "Rocket Admin" Petrel said that there are 16, right?
Yeah, and...
each plate has its own unique name,
like "Draco Plate", "Flame Plate", "Fist Plate", "Earth Plate", and "Toxic Plate"
...16 in all
Why is it 16? What's the significance behind that?

An Arbok!!

It's "Glare"!!
It was paralyzed!!

That was "Poison Sting"!!
Bonee!!
Arc-kee!!
Hit-mon-lee!!
!!

I am Rocket Admin Ariana
A pleasure to meet you
Team Rocket!!

you'll keep on hurting Team Rocket's pride until it's all black and blue
If I don't stop you kids,
I'll crush you two right here
That's why
Hitmonee, Arckee, Bonee... Back up
Don't let her notice

Arckee, "Flame-thrower"!!
Hitmonee, "Mach Punch"!!
Back away from the tree
that Silver is stuck to!!
Back up while fighting!!
Good job!! Watch out for Arbok's "Glare" and "Poison Sting"!!

Chris! You're...
luring the enemy away so I can go to Ecruteak...!!
Silver, you'll be fine, right?
You can free yourself from that!!
Go on ahead and meet Mr. Morty!!
Find the locations of the plates before Team Rocket!!
Bonee, "Bonemerang"!!!

ズリリ
ドドドド

I can't leave her alone against such an enemy!
Judging from the Arbok's resistance to Ground-type moves and the Gloom's toleration of Fire-type moves, it's obvious that she's much stronger!
Like Petrel, she's one of the Rocket Admins that lead Team Rocket right now!
I'll
fight!!

I'll give Chris the plates and let her escape to Ecruteak!!

ハジメ

スタミナコース

リングアウトファイト　チェンジリレー　ブレイクブロック

◆リングアウトファイト

相手のポケモンをタックルでリングから落とし、得点を競う。パワーが高いほどタックルの威力が増すので、相手をリング外に落としやすい。

●ジャンピングプレス　ジャンプして下にいる相手を攻撃。タックルをよけることも可能。

●落下　リングの外に出分から落下した場合は、マイナス10点となる。

パワーコース

ブレイクブロック　プッシュサークル　スマッシュゴール

◆ブレイクブロック

競技時間内にこわしたブロックの数を競う。ブロックのヒビをねらうことによりポケモンのテンションを上げよう。指示者の声が聞われる。

●ブロック　ブロックがセット（10枚）こわされたびに補充される。

●交代　右記の補充のタイミングでポケモンを交代すれば連続の競技に。

◆プッシュサークル

相手のポケモンと押し合い、サークル内にとどまる競技。タイムカウントが0になった時点でサークルの中にいれば、得点がもらえる。サークルの位置や大きさ、数はラウンドごとに変わるため、ポジションの見きわめが重要になる。

●リングアウト　リングの外に出るとリングアウトとなり一定時間復帰不可能。

●スタミナぎれ　押し合いが長引くとスタミナが減少。体力を温存しつつ戦う判断を。

これが！ポケモン図鑑だ!!

POKe'DEX PERFECT DATA

オーキド博士製作のハイテクマシン「ポケモン図鑑」。今回、新たにお目見えしたモデルの新機能を紹介する。

鎧流との戦いのあと、一度オーキド研究所に集められた10機の図鑑。そのうちゴールド、シルバー、クリス所有の3機は特別にモデルチェンジされ、現在の形状となった。ゴールドとシルバーはオレンジが基調のモデル。クリスは白が基調のモデルを使用している。

POKe'DEX PERFECT DATA

▶ポケモン学の権威オーキド博士により、ゴールドたちの図鑑は飛躍的に機能が向上。

01 形状が新しく！

本を開くようなデザインから一新。鏡開きの2画面になったことによりひと目で多くの情報を見ることができる。

▲ポケモンの検索も、下画面をタッチするだけの簡単操作に。

02 大きさ比べが可能

ポケモンの大きさをトレーナーと比較し、ビジュアルを見せることで実際の大きさがリアルに伝わってくる。

▲下画面では、量りを使った重さ比べも見られる。

03 姿のちがいをチェック

ポケモンのオスとメスに加え、フォルムチェンジした姿もそれぞれ記録。形のちがいをじっくりと観察できる。

▲並べて表示することも可能なので、ちがいがわかりやすい。

04 時間帯別の分布も

朝・昼・夜の時間帯別で、ポケモンの生息地を表示。より目当てのポケモンと出会いやすくなった。

▲その時間帯にポケモンが現れる場所が、マップ上で点滅する。

ポケモン図鑑パワーアップの変遷

出会った・捕獲したポケモンの生態情報が記録される、というメイン機能に始まり、検索や鳴き声、足形などさまざまな機能が追加されてきた。形状も、よりコンパクト化がなされている。

▲片手操作可能なボタン位置。画面にあるのはタッチペンだ。全国版となり、ジョウト以外のポケモンも図鑑する。
